I CAN'T WAIT TO GET TO MY ROOM AND RELAX...

ANOTHER ELEVATED DAY AT THE UPSCALE HAUT HOTEL.

SUDDENLY, SOMETHING SNAPPED AND THE ELEVATOR WENT FLYING!

LIKE A FLASH OF LIGHT, THE ELEVATOR CRASHED THROUGH THE ROOF AND INTO THE SKY!

NOW ORBITING EARTH, THE ELEVATOR JOINS TOGETHER WITH OTHER HAUT HOTEL GUESTS, ALSO LOST IN SPACE AND WITHOUT HOPE.

TO SECURE A FIVE STAR RATING FOR THE UPSTANDING HAUT HOTEL, THE EVER ELUSIVE HOTEL OWNER HAS HIS EMPLOYEES WORKING OVERTIME TO COVER-UP EACH ACCIDENT.

SIR, CAN WE PLEASE BUY GOOD BELTS? OUR GUESTS ARE BEING EXPELLED INTO SPACE!

THE HOTEL MANAGER PLEADS WITH THE OWNER TO BUY STRONGER, LONGER LASTING TIMING BELTS.

WE BUY THE BELTS CHEAP TO KEEP MY POCKETS DEEP!

BRECOMAN NOTICES THE BRECO SIGNAL IN THE SKY AS HE IS DEVELOPING HIS LATEST INNOVATIVE TIMING BELTS.

DESPERATE FOR RELIABLE TIMING BELTS, THE HAUT HOTEL MANAGER PHONES BRECOMAN FOR HELP.

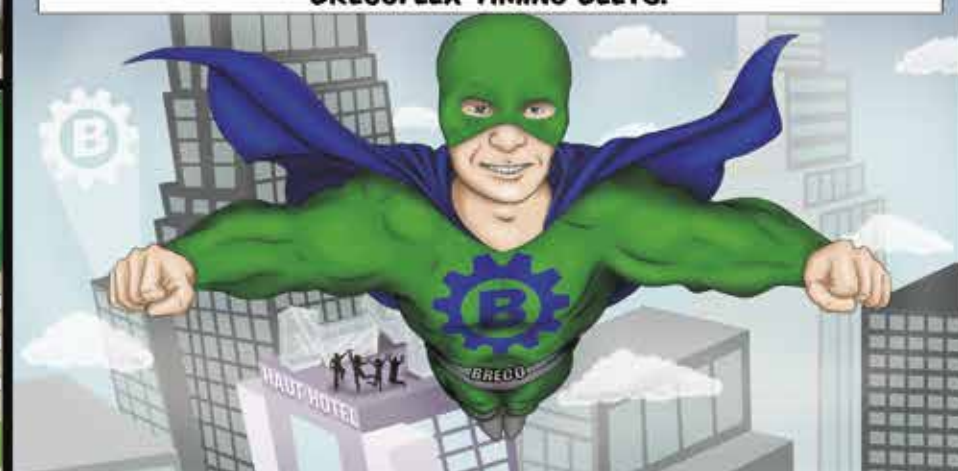

BRECOMAN ARRIVES AT THE HAUT HOTEL WITH HASTE, PRECISION TIMING BELTS IN HAND.

AFTER SWITCHING OUT THE OLD BRITTLE BELTS WITH STURDY AND RELIABLE TIMING BELTS FROM BRECOFLEX, BRECOMAN HEADS TO THE SKIES IN THE BRECOROCKET TO RESCUE THE ORBITING GUESTS.

ANOTHER COMPANY SAVED BY BRECOMAN AND HIS UNDEFEATED BRECOFLEX TIMING BELTS.
