

The Jamestown Golf Association 2021 Annual Report

11-30-2021

We hope you will find this information interesting and informative. It is important to know about the history of our association. We stay focused on the present and prepare for the future. Having fun means everything to us. We offer organized competitive golf with a fair chance to win a little change which is a bonus. We enjoy shared experiences while developing friendships that will last a lifetime. We give thanks when we gather and keep our friends in our prayers that are sick or lost a loved one.

We appreciate our members and those who took an active role in being a part of the board. Through their efforts the direction of the association has been guided. In the early years **Ray Bellows** and **Art Sheek** were instrumental in our development. Other current members that we need to mention who have taken active roles in are **Ervin Cole, Charlie Gibson, George Kennon, Joel Lawson, Glenn Meredith, Joe Simmons, Ben Sirmons, Tom Tervo.**

Our Honorary members are former Jamestown Park PGA Professional, **Michael Hutcheons, Art Sheek, Ray Bellows,** and **Paul Duval.**

We were led by President **Tom Tervo** and Tournament Director **Joe Simmons** for many years. We appreciate their leadership and dedication to our membership. They both care greatly about our members and represented us well. It was so fitting they decided to step down from the Board at the same time, but are still very active and interested in the well-being of the JGA.

We miss the members who have passed on such as **Ray Bellows, Bobby Craven, Paul Duval, Dennis Hale, Dick Hall, Norman Lang, Brian Lloyd, Fred Miller, Harold Odum, Art Sheek, Steve Siler, Ronnie Smith, Wayne Smith, and Dave Wadford.**

We want to thank our members for your participation and fellowship on and off the golf course. We are a senior dominated membership that plays more golf during the week. We are fortunate to have Board member, **Roger Dooley** organize the Wednesday and Friday Gang play. We usually play different courses on Wednesdays and have found them to be very accommodating and appreciative. We usually play at Jamestown on Friday. We organize outings by flight and players compete against their own expected points.

We help manage and distribute the winnings, but do not invest or profit from funds members put in.

In 2022 **Ed Galaski** will become our 4th At Large board member to handle Friday gang play.

We look to expand gang play to selected Saturdays.

We updated our **Bylaws** which were approved in April this year. This was a major and necessary undertaking. A copy is attached for you.

We appreciate and thank every one of our **Veteran** members for their sacrifice and commitment made to protect our country and make it what is today. We hold a Veteran Appreciation Tournament each year and cover the expense for our Veteran members. There is no entry fee for our Veteran Guests. We appreciate **Mike Nelson** singing at the tournament. Board Members; **Steve Bennett**

and **Joe Gray** are Veterans who work hard to make this tournament special!

We want to thank **Steve Gigliotti** and **David Willams** for their service on the Board and to members. These guys represented themselves and the JGA with honor and integrity. We appreciate their hard work and effort to make the JGA experience enjoyable and memorable. Your friendship means so much to us and we will miss working with you on a regular basis.

We wish you the best as you move to the coast and experience a new chapter in your life. Take care and come back and visit us in the future. You can be a guest; just bring your \$15 for gang play!

As **President of the JGA** I try to meet everyone and get to know you. I believe in shared experiences and love to hear about your stories on and off the golf course. We have a great bunch of guys who love playing golf. It is so much fun spending time together after we play to talk about the round and ridiculously funny things that happened that day. The best day of golf is the next one we play. I look forward to the next round with each of you!

I work with incredible guys on our Board! I thank everyone of them and all members for making 2021 a super year. We look forward to 2022 with fun and fellowship through golf. Help us make your association the best it can be for you. Recruit people you want to have fun with. Contact any of the Board members with questions or suggestions.

Thanks, Jamestown Board of Directors
