* The dates, times, format and pay-out may change as needed.

* Warning! Do not read the individual tournament flyers because they include all the details you need.

* If you have questions, please contact Tournament Director, John Maynard at 336-908-8343 or maynardsfabri187@bellsouth.net.

Changes we are making based on member feedback.

* We are adding net prizes to our tournaments.

* The Club Champion will be the player that shoots the lowest 2 day gross score from the tee they play based on their age.

This is not the traditional championship from the tips. The competition comes from our full membership from every tee.

Sign up and give yourself a chance to be the Club Champion.
