

Job **OPPORTUNITY**

Location:

Nova Operation, Fraser Range, Southeast of Kalgoorlie

COMMUNITY ENGAGEMENT & HERITAGE OFFICER

THE ROLE

- IGO is an ASX100 clean energy mining and exploration company that has seen significant growth in operations and exploration projects in recent years. We have three underground Nickel operations, a 170-person corporate office and a large exploration team working across Australia. We also have a significant indirect interest in the Greenbushes lithium mine through a joint venture.
- Our Nova Nickel Operation is located in the Fraser Range, approximately 160km east of Norseman, 360km southeast of Kalgoorlie and 380km from Esperance. The Ngadju people are the Traditional Owners and custodians of this area. We have a rare opportunity and are seeking applications from Ngadju Traditional Owners for the role of Community Engagement and Heritage Officer.
- This role exists to support the business and ensure ongoing long-term relationships between IGO and the wider Ngadju Community, specifically relating to employment, training and cultural awareness at our Nova Operation.
