

PROJECT PROFILE

BRIAGOLONG FACILITIES DEPOT

CLIENT

> Victorian State Govt. / DELWP

LOCATION

> Briagolong, Victoria

ARCHITECT / DESIGNER

> Crosier Scott Architects

VALUE

> \$1.30m

SUMMARY

> Briagolong was one of four projects awarded to Kubale Constructions by DELWP. After demolition, significant civil works were undertaken on the road and drainage including asphalt and curbing. New buildings of approximately 880 sqm were erected on slabs using conventional steel portal frames. Sitting aside from the main building is a smaller dangerous goods storage shed. The contract included a full security upgrade to the site including access control, CCTV and the installation of large, industrial palisade sliding gates to complete the secure enclosure.

CONSTRUCTION HIGHLIGHTS AND TECHNIQUES

- > Portal steel frame with Colorbond cladding
- > Significant civil component including drainage, asphalt and curbing
- > Full security upgrade to secure the site
