

# Steppingstone Program Timeline - 5th Grade

steppingstone

**12+ Years of Support**

## THE ACADEMY + SCHOOL PLACEMENT

Summer 2024 - Summer 2025

**The Academy:** Steppingstone's academic preparation component spans 14 months - 2 summers and 1 academic year - of intensive classes to prepare students academically and socially for admission to challenging middle and high schools in the Boston area.

**School Admission:** Steppingstone guides all students and families through the process of identifying and applying to a right-fit school. This includes independent schools - tuition-charging private schools that offer financial aid - and select Boston public schools, including the three Exam Schools which are public schools that require an entrance exam.
