

Sirius voted best investment manager in Finland

16.9.2019

For the fourth consecutive year, Sirius Capital Partners has been voted the best real estate investment manager in Finland in the Euromoney survey.

The Euromoney real estate awards are voted for by all constituents in the industry – developers, advisers and banks. The survey is conducted in more than 60 countries around the world and the participants vote for the market leaders in a number of categories. The Euromoney annual survey was now organized for the 15th time.

– We feel proud and honored that we have yet again been nominated Best Investment Manager for real estate in Finland. The Euromoney nomination feels special as it shows we have earned the respect of our peers and colleagues in the highly competitive global real estate market. The achievement of winning this for the fourth year in a row shows that Sirius's business model is successful and appreciated, says Sirius CEO Patrick Gylling.
