

AI-powered CLM that lets you focus on your business

Experience contract intelligence at scale. Transform your business with end-to-end, AI-first contract lifecycle management.

Analyze [\(See demo\)](#)

Get actionable insights at scale. Evisort's powerful AI and OCR with foreign language support empower teams to track, search, and analyze contract data on demand.

Integrate [\(See demo\)](#)

Evisort meets you where you work. Easily ingest and sync contracts with leading repositories and connect contract data with ERP, CRM, and e-signature systems.

Draft & Negotiate [\(See demo\)](#)

Streamline contract processes with easily configurable tools for contract intake, drafting, redlining, approvals, execution, reporting, and renewals.

Manage & Automate [\(See demo\)](#)

Easily and intelligently manage any volume of agreements, and automate your most important workflows for both pre- and post-signature contracts.

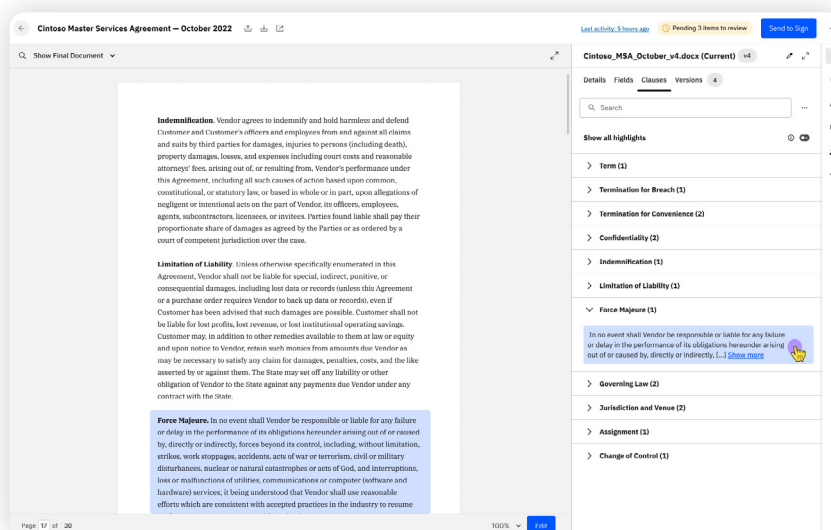

Collaborate [\(See demo\)](#)

Stay in sync at every step. Evisort makes it easy for teams to collaborate on agreements in real time to ensure full transparency and accountability.

Report [\(See demo\)](#)

Deliver actionable, visualized insights from contract data to support business agility, promote operational excellence, and strengthen competitive advantage.

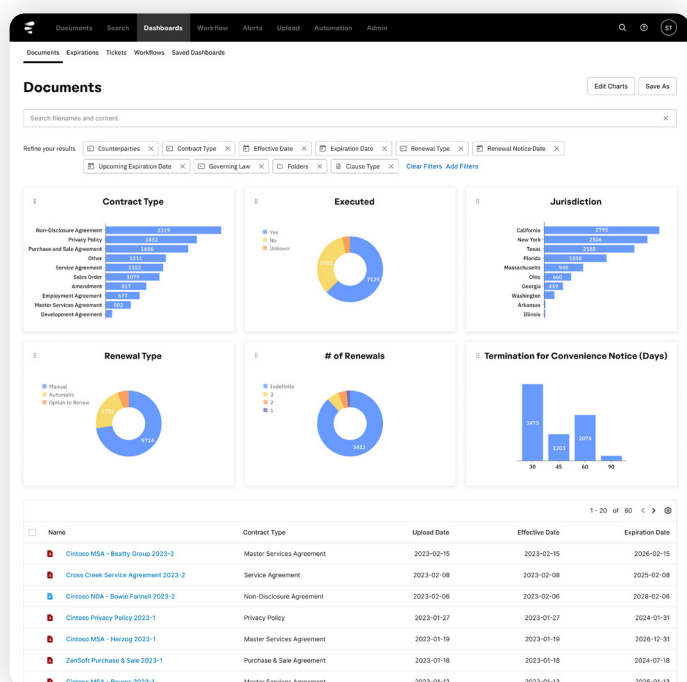

“

We selected Evisort because of its unique combination of document generation capabilities, workflows, and AI – all in one user-friendly and intuitive interface. The flexibility and adaptability were unlike any of the other solutions evaluated.

Managing Counsel

 BNY MELLON

Industry-leading contract AI that works — now and later

Get up and running fast

Experience a complete, intelligent contract repository in days, not months – with next-generation processing for fast, scalable, and highly accurate results.

Generate value instantly

Extract a wide range of critical data points and clauses in seconds, with proprietary, pre-trained contract AI.

Stay in sync at all times

Connect Evisort seamlessly to Salesforce, Google, Box, Dropbox, SharePoint, and more to analyze existing contracts and keep your repositories fully synchronized.

Future-proof your investment

Train additional AI models to meet the evolving needs of your business with ease – no code, no special skills, no external dependencies.

“

Evisort makes it simple for our teams to train custom algorithms so we can react quickly as our compliance needs change.

Director of Legal Operations

“

Evisort has been a great choice for our contract management system. From the simplicity of the approach, to the AI and the self configurable workflows, it's easy to get an ROI in a couple of months.
