KANSAS-NEBRASKA CONFERENCE

2023 CAMP MEETING

FOR TODAY

May 31 - June 03, 2023

College View Church • Lincoln, NE

Welcome to Camp Meeting

Dear Friends,

Welcome to Camp Meeting 2023. This annual event is part of Adventist heritage dating back to the early days of our church. The purpose has always been the same, to intentionally seek the Lord and enjoy the good fellowship of brothers and sisters in Christ. Although times change and we no longer meet in tents, our need for the Lord and each other has remained essential. May you find the blessing you need as together we give praise and honor to our Redeemer.

Sincerely,

Ron Carlson, President

We have this hope as an anchor for the soul, firm and secure. It enters the inner sanctuary behind the curtain, where our forerunner, Jesus, has entered on our behalf. He has become a high priest forever, in the order of Melchizedek.

Seminar Speakers

Tyrone Douglas

Tyrone Douglas serves as the Church Ministries Director of the Mid-American Union Conference. He has had the privilege to minister in a number of capacities, including preaching and conducting seminars and weeks of prayer across the United States, in the Caribbean, Bermuda and the Philippines. His goal is to utilize his gifts and talents in ministry through faithful service to God by nurturing, mentoring and facilitating

the development of Spirit-filled leaders. He believes in integrating a strong belief in the priesthood of all believers and in organizing and mobilizing church leaders for ministry.

Chrystal Flerchinger

Chrystal comes from the City of Moses Lake, Washington, where she is an administrative assistant for a physical therapy clinic. She and her husband Perry graduated from Union College in '98, and have enjoyed 20+ years in ministry and supporting church schools. Chrystal gleans skills from churches, schools, Adventurers and daycares where she's loved thousands of God's littlest people. Why is Children's Ministry so important to Chrystal? "Jesus loves children absolutely, and children at a young age are the most likely of human beings to make that ultimate decision: saying 'Yes' to Jesus! Every day it delights me to arrange a proper introduction. I can't think of a better use of my time and talents!"

Tamyra Horst

Tamyra Horst has been serving in women's ministries for more than 29 years. Her desire is to "encourage, equip and challenge women to grow deeply and serve uniquely." She is passionate about helping women of all ages – young, old and in-between – learn to truly believe that God loves them and live like it. She is an author of more than ten books including Teach Us to Pray, many women's ministries resources and editor of the 2023 Women's Devotional Book. Tamyra is a speaker and

leader with a passion for God's Word and sharing Him with others. She serves as the Pennsylvania Conference Communication Director and Women's, Family and Prayer Ministries Director, as well as the Columbia Union Women's Ministries Director.

Karla Marsh

Basic hygiene is something we take for granted, but for women and girls in other countries, it presents a real problem, especially for girls without access to basic feminine hygiene products. But there is something we can do. We can provide them with Project Shield Reusable Feminine Hygiene Kits. These kits last about three years and are life-changing for the girls and women who receive them. Karla heard about this

program a few years ago and now has a passion to teach other women how to create these life-changing kits.

John Mathews

John Mathews is an ordained minister who as a boy dreamed of becoming a country music singer. His ministry has included serving in Florida, Alabama, Iowa, Missouri, Tennessee, Nebraska and Texas, having conducted stewardship and family finance seminars throughout the North American Division since 2010. John is a graduate of Southern Adventist University and holds a Doctor of Ministry degree from Andrews University. John's passion is teaching stewardship principles, especially as they relate to the spirituality of money management in postmodern culture.

Vivian is an experienced, enthusiastic speaker where her passion for wellness radiates as audiences can clearly perceive the health she maintains by faithfully practicing what she teaches.
