

## CONVEX MIRROR

Northpac Convex Safety Mirrors are virtually unbreakable and are 200 times stronger than glass.

Our safety mirrors are not affected by UV rays and will not produce toxic fumes if burnt.

Ideal for security, these heavy-duty safety mirrors are purpose-built and provide an ideal solution for areas prone to vandalism.

### Features:

- Equipped with adjustable swivel mounting and brackets
- 130-degree actual viewing angle
- Anti-theft indoor mirrors are fully adjustable and come complete with hardware for wall mounting
- Hooded outdoor mirrors are fully adjustable and come with hardware to connect to a 50mm post.
- Mirrors have a 12-month warranty

### Safety Mirrors can be used for:

- Supermarkets
- Shopping centres
- Multi-level carparks
- Commercial driveways
- Service stations
- Blind corners
- Retail shops
- Exit/entry points
- Factory/warehouse internal traffic areas
- Railway stations
