SELECT EXPERIENCE

O/M Studio

Senior Product Designer	Jan 2022 — present
Product Designer	Apr 2020 — Jan 2022
Associate Product Designer	Apr 2018 — Apr 2020

- Led 10+ client projects to create experiences for desktop and mobile products. Select clients included Stripe, Nextdoor, CZI, Instagram, Walmart, and Google.
- Partnered with cross-functional teams and programmed workshops, design reviews, and user research to drive projects and build alignment.
- Organized studio-wide initiative to establish inclusive design roadmap, principles, and resources.
- Developed mentorship program and events to connect studio with broader design community.

Fulldive

Product Designer	Sep 2016 — Mar 2018

- Owned end-to-end process within an early-stage startup to build mobile app (Android & iOS) with 1M+ downloads.

UC Berkeley Extension

Design Teaching Assistant	Feb 2018 — Aug 2018

- Coached 30 students during a 6-month bootcamp on UX/UI concepts and how to build a portfolio.
- Collaborated with instructor team to design course plans and projects.
