

Your Privacy Rights

We are committed to protecting your privacy rights. Our facility has established the following procedures to help safeguard the privacy of your protected health information:

- You will receive written notice of our privacy policies as they relate to the use and disclosure of your protected health information.
- You may request additional restrictions on the use and disclosure of your protected health information.
- You may request your protected health information be communicated to you by alternate means and at alternate locations to protect confidentiality.
- You have the right to inspect, correct and amend your protected health information.
- You may request a history of the non-routine disclosures of your protected health information.

Please ask for our **Privacy Officer** if you have any questions.

Protection of your health information complies with the Health Insurance Portability and Accountability Act (HIPAA).
