LOVE  YOUR HEART

February was American Heart Month - a time to reflect on the sobering fact that heart disease remains the number one killer of both women and men in the United States. San Ysidro Health in partnership with Live Well San Diego shared lifesaving efforts towards

improving heart health through the annual Love Your Heart Community Fairs throughout the year. The fairs included information about good heart health and how to control your blood pressure, along with free blood pressure checks, COVID-19, and flu vaccines.

Philanthropic Leadership Council Kick-Off Meeting & Reception

San Ysidro Health recently hosted our first Philanthropy Leadership Council Kick-off Meeting & Reception at Ballast Point Brewing on February 16th to thank our Philanthropic Leadership Council (PLC), Corporate Citizenship Partners (CCP), and other donors. Our PLC is a group of distinguished friends and advisors that provides support, both financial and advisory, toward the mission of San Ysidro Health. This event served as a gesture of gratitude to all our generous supporters who have aided us throughout the years and welcomed new PLC members. Our invaluable volunteers and donors play a crucial role in helping us achieve our mission.

San Ysidro Health Celebrates Black History Month

Each February we celebrate Black History Month, a crucial time for us to pay tribute to the triumphs and struggles of African Americans throughout U.S. history. San Ysidro Health strives to collectively build a culture that embraces diversity, equity, inclusion, and belonging.

Throughout this month, we highlighted some of our Black/African American San Ysidro Health team members (below) as they shared their stories and reflected on what Black History Month means to them in the context of healthcare.

A.T. Still University's School of Osteopathic Medicine in Arizona (ATSU-SOMA) Medical Student of the Year

San Ysidro Health's own Kathleen Douangchak, OMS IV, has been selected for the 2023 ATSU-SOMA Student DO of the Year (SDOY) Award. Kathleen has served in many leadership roles while at ATSU-SOMA including SGA Executive Vice President, Student Ambassador, and the current Class of 2023 President. Kathleen will go on to represent ATSU-SOMA and compete for the 2023 National Student DO of the Year Award sponsored by the Council of Osteopathic Student Government Presidents. Congratulations and we wish you the best of luck!
