Forest Chem Chem

Connection. Moments. Freedom.

Savour the stillness and shared adventures of Forest Chem Chem, an exclusive-use tented camp on the edge of the Tarangire National Park, where your sole mandate is to slow down and take time to appreciate your own bespoke safari with your loved ones.

Location

Nestled within the Burunge WMA, Chem Chem's concession offers diverse landscapes each with their own distinct appeal.

Forest Chem Chem sits in seclusion among the trees of an enchanting African woodland. With rich year-round game viewing and abundant bird and plant life, Forest Chem Chem is a haven for nature enthusiasts.

Accommodation

Forest Chem Chem is available on an exclusive-use basis only, providing guests with an exceptionally private and tailored safari experience.

With just 4 luxury vintage tents, one of which is a 2-bedroom family tent, the camp is able to comfortably host 8 adults and 2 children.

The Experience

Time to cherish.

'Kuungana', meaning 'to connect' in Swahili, is the essence of an experience at Forest Chem Chem. With the freedom of an entirely private camp at your disposal, your days belong to you to spend relaxing, exploring, or immersing in the warm culture that makes the region so loved. With dedicated guides and staff on hand, curate your own experience from active and adventurous to quiet and contemplative.

Private Game Viewing

Private guides and dedicated safari vehicles allow you to explore the game-rich concession in search of the renowned big tuskers, tree climbing lions, or other remarkable sightings. With a choice of day or night drives, you can decide what suits you.

Family Time

Children of all ages are welcome at Forest. With arts and crafts available in camp, interactive cooking, or learning about tracking, kids can keep active.

Unrivalled Cuisine

Enjoy sumptuous meals prepared by gourmet chefs, dine under ancient baobabs, or picnic in the wilderness. Every meal is a sensory delight.

Cultural Visits

Visit a Maasai village, discover the traditions of the Barabaig, or visit a local school and learn something new about the Tanzanian people.

Walking Safaris

Explore this game-rich landscape and experience the sights and sounds of the wilderness up close when you embark on a bush walk through the concession with your guide.

A lioness is lying on its side, resting on a thick, dark, textured tree branch. The lioness has a light brown coat with faint spots and is looking towards the camera. The background is a lush savanna with green trees and bushes, slightly out of focus. The lighting is soft, suggesting a calm time of day.
