CARAFE OR NOT TO CARAFE - THAT IS THE QUESTION

Why not try any of our wines by the carafe.

That means you can rejoice with any of our wines by the glass in the friendly 500ml carafe. For when a bottle is too much or a large glass just isn't enough.

DECKHOUSE COASTAL WINE RECOMMENDATIONS

**Deckhouse takes great influence from the coastal experience.
Much like some of the most intriguing wines from around the world.**

RED

Tinto, Bujador Vinho

Espaço Rural Portugal 14% OP

This red comes from the holy trinity of Portuguese grapes; Aragonez, Touriga Nacional and Trincadeira grown on schist soils and their alchemy results in this full bodied and flavoursome beauty with ripe fruit and tannins.

WHITE

Gasper Malvazija

Slovenia 13.5% Vg

In the far West of Slovenia - close to the Italian border - Malvasia grapes have been grown for centuries and winemakers are creating top tipples which will have you gasping for more. This is a cracking wine which is distinctive and expressive - perfect for sipping or pairing with a nice bit of fish.
