Aims of the Woodworkers Association of NSW, incorporated

- To provide a forum for networking and to encourage camaraderie amongst all those who work in wood.
- To promote public awareness and appreciation of fine woodwork.
- To encourage creativity, design and development of skills and application by all woodworkers.
- To represent professional woodworkers and promote sustainability of fine woodwork as a career.
- To promote awareness of environmental issues including encouraging the judicious use of our precious native timber resources and use of sustainably harvested, recycled and reclaimed timbers.

ABOUT US

Welcome to the Woodworkers Association of NSW web site.

If you would like to join, we have an on-line membership form or maybe you would like to browse our Tools and Techniques section. Members can check the list of suppliers who provide discounts. Here we will bring you news of what is on , how to contact the Association and some ideas and hints for working with wood.

Regular Meetings

The Association meets every two months where there is usually a guest speaker or demonstrator and where you can discuss materials, techniques and exchange "clues and news" in the relaxed atmosphere of like-minded people sharing their skills and knowledge

Bring your "Show and Tell"

Meetings are held at **Putney Tennyson Bowling & Community Club, Frances Rd, Putney** at 7.00 p.m. (for 7.30 p.m.) generally on the first Monday of the even months (February, April, June, August, October, December). See our calendar for details. The meeting fee is \$5.00 per head. Meeting attendees registered automatically go in the draw for a lucky door prize. We look forward to seeing you there.
Visitors and friends are always welcome.
