

Suffolk County Municipal Employees Benefit Fund -

VOLUME 44, ISSUE 3

AUGUST 1, 2017

Welcome to the New Pre-Paid Legal Services Plan

...And Congratulations! Effective August 1, 2017, you will have a powerful tool that can help you and your family better manage the legal challenges which confront all of us in today's complex world – a **Pre-Paid Legal Services Plan** that replaces the current voucher program.

With this new **Legal Services Plan**, the Trustees of the Fund have provided you with access to a local law firm with 52 attorneys on staff and hundreds more throughout NYS who are available to assist you with most of your personal legal problems. In the event of a legal emergency, like an accident or arrest, your attorneys are available 24-hours to answer your call. The enclosed benefit reference guide provides the contact telephone numbers as well as a description of all covered benefits.

And best of all, in most cases, there will be **NO COST** to you for the **Legal Services Plan Attorneys**.

With this new plan, many of the legal benefits used by our

members are now **FREE!** For **Legal Services Plan** coverage that is not free, the hourly or fixed attorneys' rates will be offered at a **significantly reduced rate**.

Remember... The next time you tell someone "You'll be hearing from my lawyer," **THEY WILL!**

Legal Services Plan Replaces the Current Legal Voucher System

An enhancement to our legal benefit was necessary because so many of our members found the Fund's legal voucher system costs prohibitive as lawyers were just too expensive and the reimbursements provided were too low.

The new **Pre-Paid Legal Services Plan** replaces the current legal voucher system. With this new plan, *many* of the legal benefits used by our members are now **FREE**. For certain legal services outside of this plan, the hourly or fixed attorneys' rates will be

offered at a significantly reduced rate!

According to the American Bar Association's own statistics, if you are an average law-abiding United States resident you have a 37% chance of having a legal problem during the next twelve months. That's better than a 1 in 3 probability that you will need an attorney in the next year!

Please read the enclosed Legal Services Plan Benefit Reference Guide carefully.

You can call about Real Estate, Family Law, Personal Injury, Estates, Wills, and Traffic Matters. While most legal matters will be covered at no cost, for those where fees are payable, they are at reduced rates.

We hope you enjoy this new Legal Services Plan.
