A Message from the Board of Trustees

Welcome to the Suffolk County Municipal Employees Benefit Fund Legal Services Plan, and Congratulations – effective August 1, 2017, you have a powerful tool that can help you and your family better manage the legal challenges which confront all of us in today’s complex world – a pre-paid legal services plan that replaces the current voucher program.

With this new **Legal Services Plan**, the Trustees of the Fund have provided you with access to a local law firm with 52 attorneys on staff and hundreds more throughout NYS who are available to assist you with most of your personal legal problems. In the event of a legal emergency, like an accident or arrest, your attorneys are available 24 hours to answer your call. **The enclosed plan description provides the contact telephone number as well as describes all covered benefits. And best of all, in most cases, there will be no cost to you for the Legal Services Plan Attorneys.**

We are working together to make using your legal services plan as easy and beneficial as possible. If you have a legal question or concern, you can simply pick up the phone and make a free call to your legal services plan attorneys. You will get advice and action from your attorneys but you will not get a bill! And you can receive these legal services anywhere in the USA, when you’re traveling or if a child needs legal help at college.

You can call about Real Estate, Family Law, Personal Injury, Estates, Wills, Traffic Violations, Powers of Attorney, Health Care Proxies, etc. You can have any related questions answered without cost. You will also have your Wills prepared without cost. While most legal matters will be covered at no cost, for those where fees are payable, they are at sharply reduced rates.

With this new plan, many of the legal benefits used by our members are now free! For Legal Services Plan coverage that is not free, the hourly or fixed attorneys’ rates will be offered at a significantly reduced rate.

According to the American Bar Association’s own statistics, if you are an average law-abiding United States resident you have a 37% chance of having a legal problem during the next twelve months. That’s better than a 1 in 3 probability that you will need an attorney in the next year.

Please read the Legal Services Plan Benefit Reference Guide carefully. **Remember, in the event of a legal emergency, like an accident or arrest, your attorneys are available 24 hours to answer your call.** This Legal Services Plan gives you the power to enforce your legal rights so call whenever you think you need help.

Remember...The next time you tell someone “You’ll be hearing from my lawyer,” THEY WILL!

HOW TO USE YOUR LEGAL SERVICES PLAN

If you wish to consult a lawyer for benefits provided by the Legal Services Plan, call the Plan Attorney at the number provided. An appointment will be scheduled for you, or you will receive a telephonic consultation regarding your legal problem immediately. Your Legal Services Plan covers legal problems which arise anywhere in the Continental United States.

You will be provided with legal services by attorneys employed or retained by the Legal Services Plan. There is no subscription or registration fee to be paid by any covered member in order to entitle him/her to the benefits of the Legal Services Plan. In most instances, legal services are provided by a Plan employed or retained attorney. However, in special situations, (Member vs. Member dispute, for example) you will be provided with legal services by an attorney provided from a standby panel. Your relationship with the attorney will be that of attorney and client. No member of the Legal Services Plan, or any Trustees of the SCME Benefit Fund/Legal Services Plan can interfere in this relationship. All protections of confidentiality between you and your attorney will be preserved.

As a covered member, you are not required to use the benefits provided by the Legal Services Plan. You are free, at all times, to hire your own attorneys, but neither the Benefit Fund nor the Legal Services Plan attorneys will pay your fees to a privately retained attorney. The Legal Services Plan will not absorb or be responsible for any part of the fees or charges of attorneys other than the Plan designated attorney, except as set forth herein.
