OUR HISTORY

Thanks to our experience in design and manufacturing and our in-depth knowledge of the luxury hospitality sector, Beranger Group can help you realize your bespoke projects. Specialized in creation, production and distribution for the hospitality industry, our know-how includes accessories, leather goods, textiles and all products related to the olfactory universe.

We believe that every detail of a hotel or restaurant's equipment makes a significant difference in the customer's perception. We try our best to ensure that our products offer a truly personalized experience in your establishment.

OUR VISION

OUR WORKSHOPS

Our products are designed in France and made all over the world according to the local know-how, the good social and environmental practices, and the origin of the materials. Our workshops are carefully selected according to the standards we have adopted.

OUR COMMITMENTS

At Beranger, we believe that we can offer the best possible to hoteliers and restaurateurs while considering social, environmental, and economic perspectives. We are proud of our commitment to sustainable development which is at the heart of Beranger's corporate culture.

OUR ORDER PROCESS

1 – Research & Development

We accompany you in the ideation of each of your projects.

2 – Design

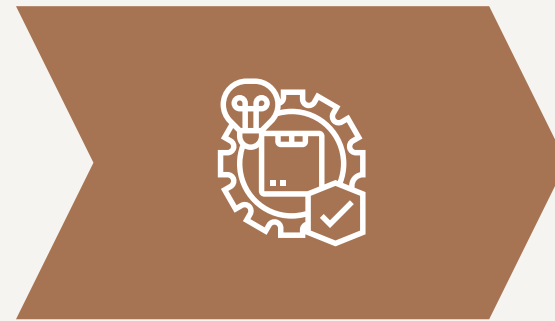

The creation team gathers materials and inspiration.

3 – Prototype

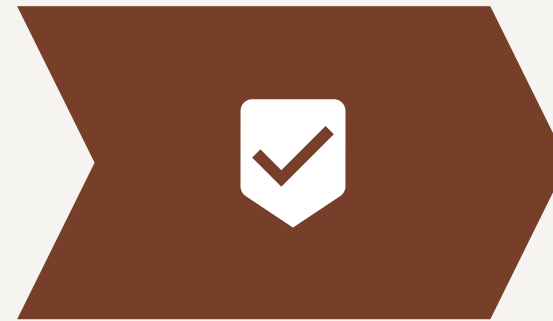

Depending products, we propose prototypes and samplings.

4 – Production & production follow-up

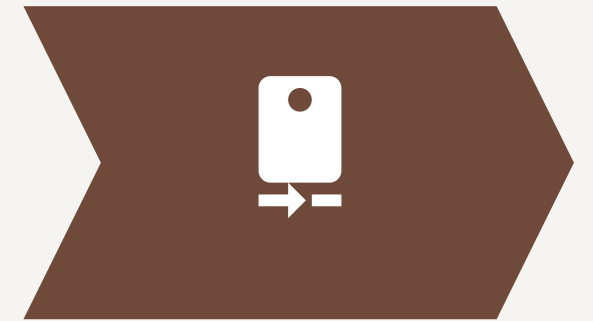

We ensure a rigorous production follow-up.

5 – Quality control

We perform a product quality control.

6 – Transportation and storage

From our platform in Havre, we handle the logistic (transportation and storage) to your establishments

This is not a catalog but a presentation.

This a non-exhaustive list. All projects are exclusive realization tailor-made to better match your establishment's image.

OLFACTORY

Our know-how is put at your service to help you create your olfactory signature. Alongside the expertise of our perfumers, we develop bespoke candles, home fragrances, body fragrances and cosmetics that reflect your brand universe. Our natural raw materials are sourced in Grasse, the heart of French perfumery history. The packaging is developed in our factory in Macon.

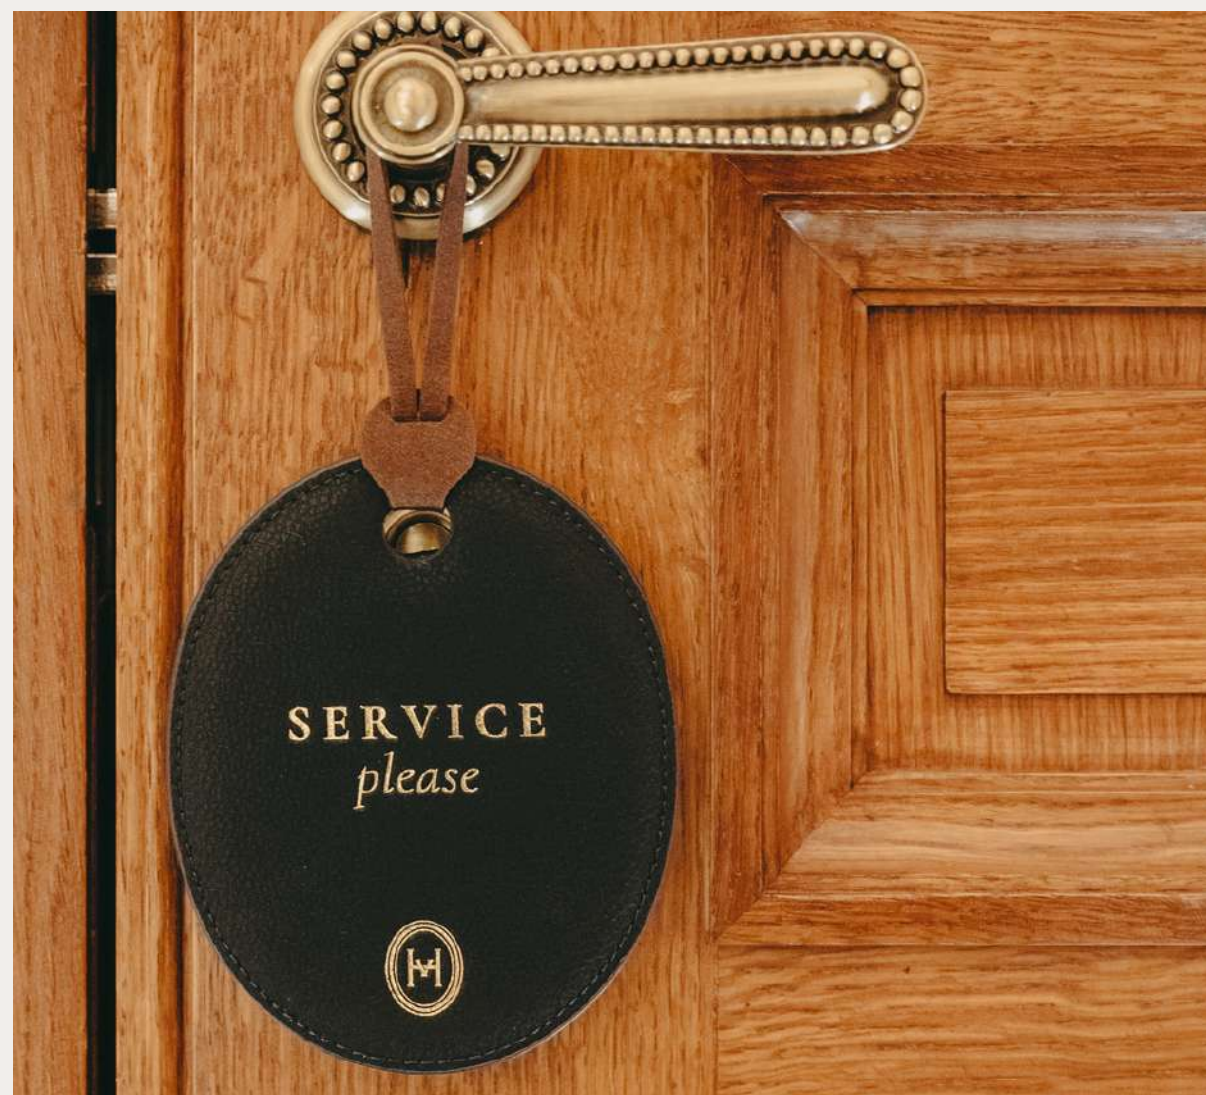

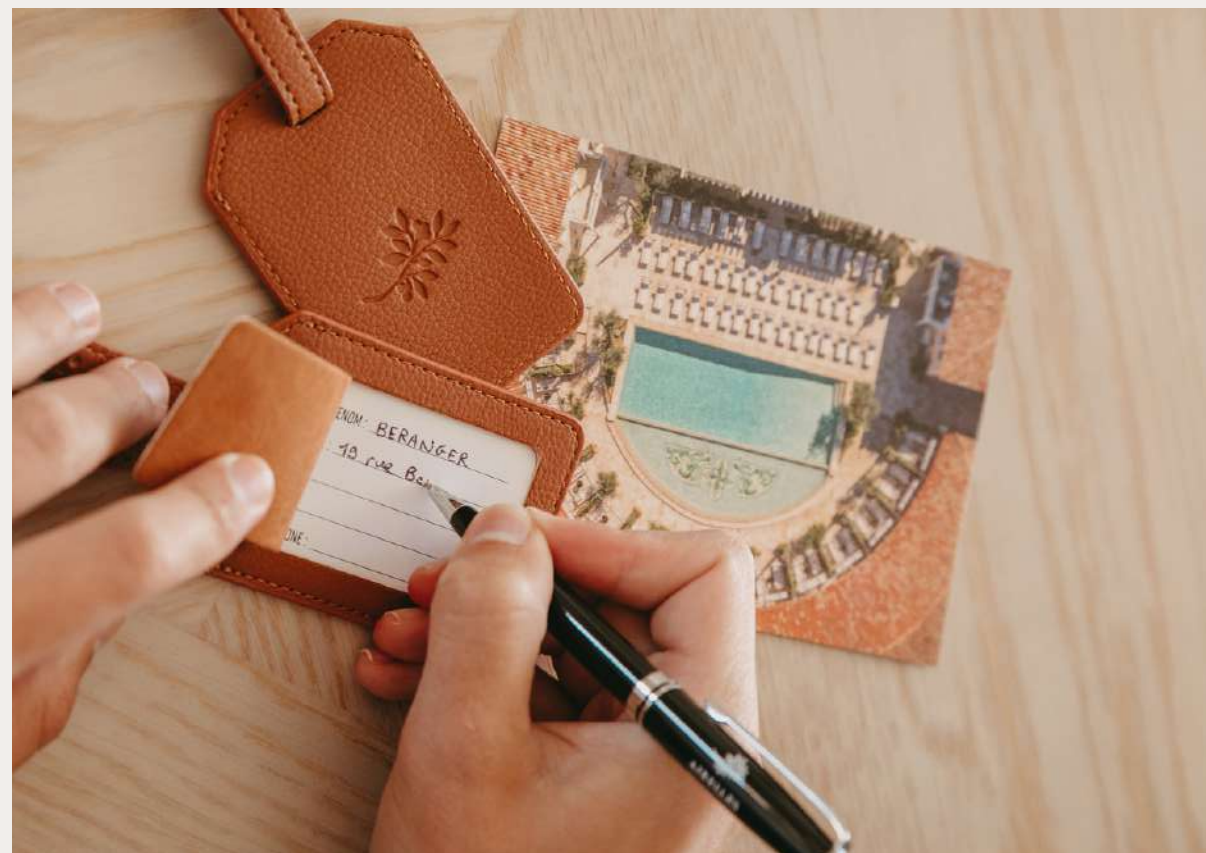

LEATHER GOODS

We develop a wide range of elegant and functional bespoke leather goods. Our products combine impeccable quality, and innovative design. Pineapple, mushroom, or eucalyptus leather, we are constantly looking for original and eco-responsible materials.

TEXTILE

Our specialized knowledge of materials and textile manufacturing techniques allows us to offer products using the most beautiful and innovative materials. Our projects are exclusive, and tailor-made for your establishments. Our textile partners are certified STANDARD 100 by OEKO-TEX®.

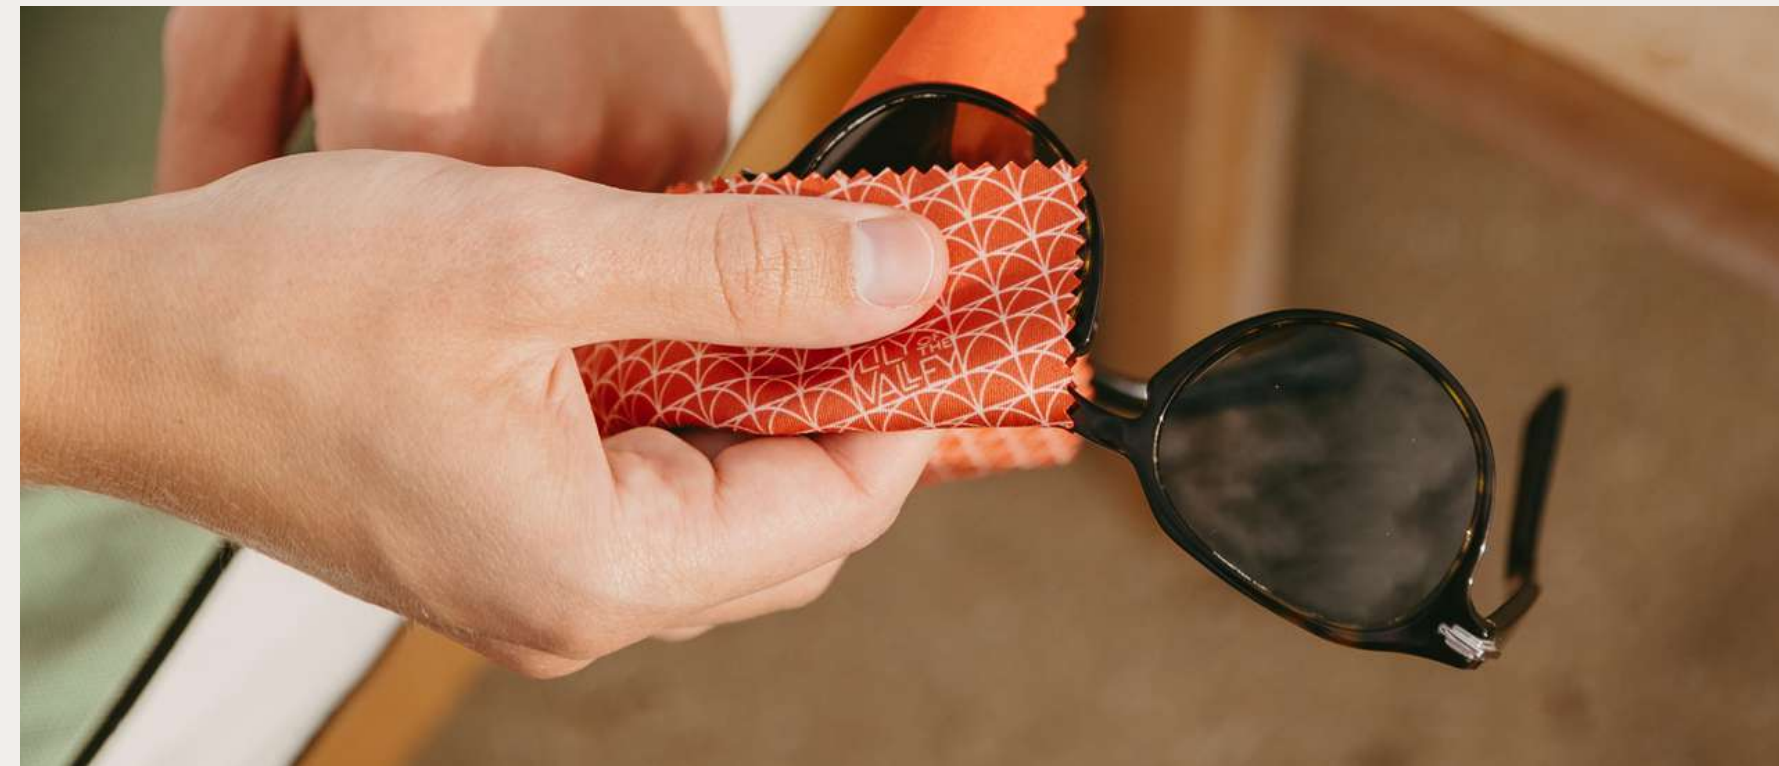

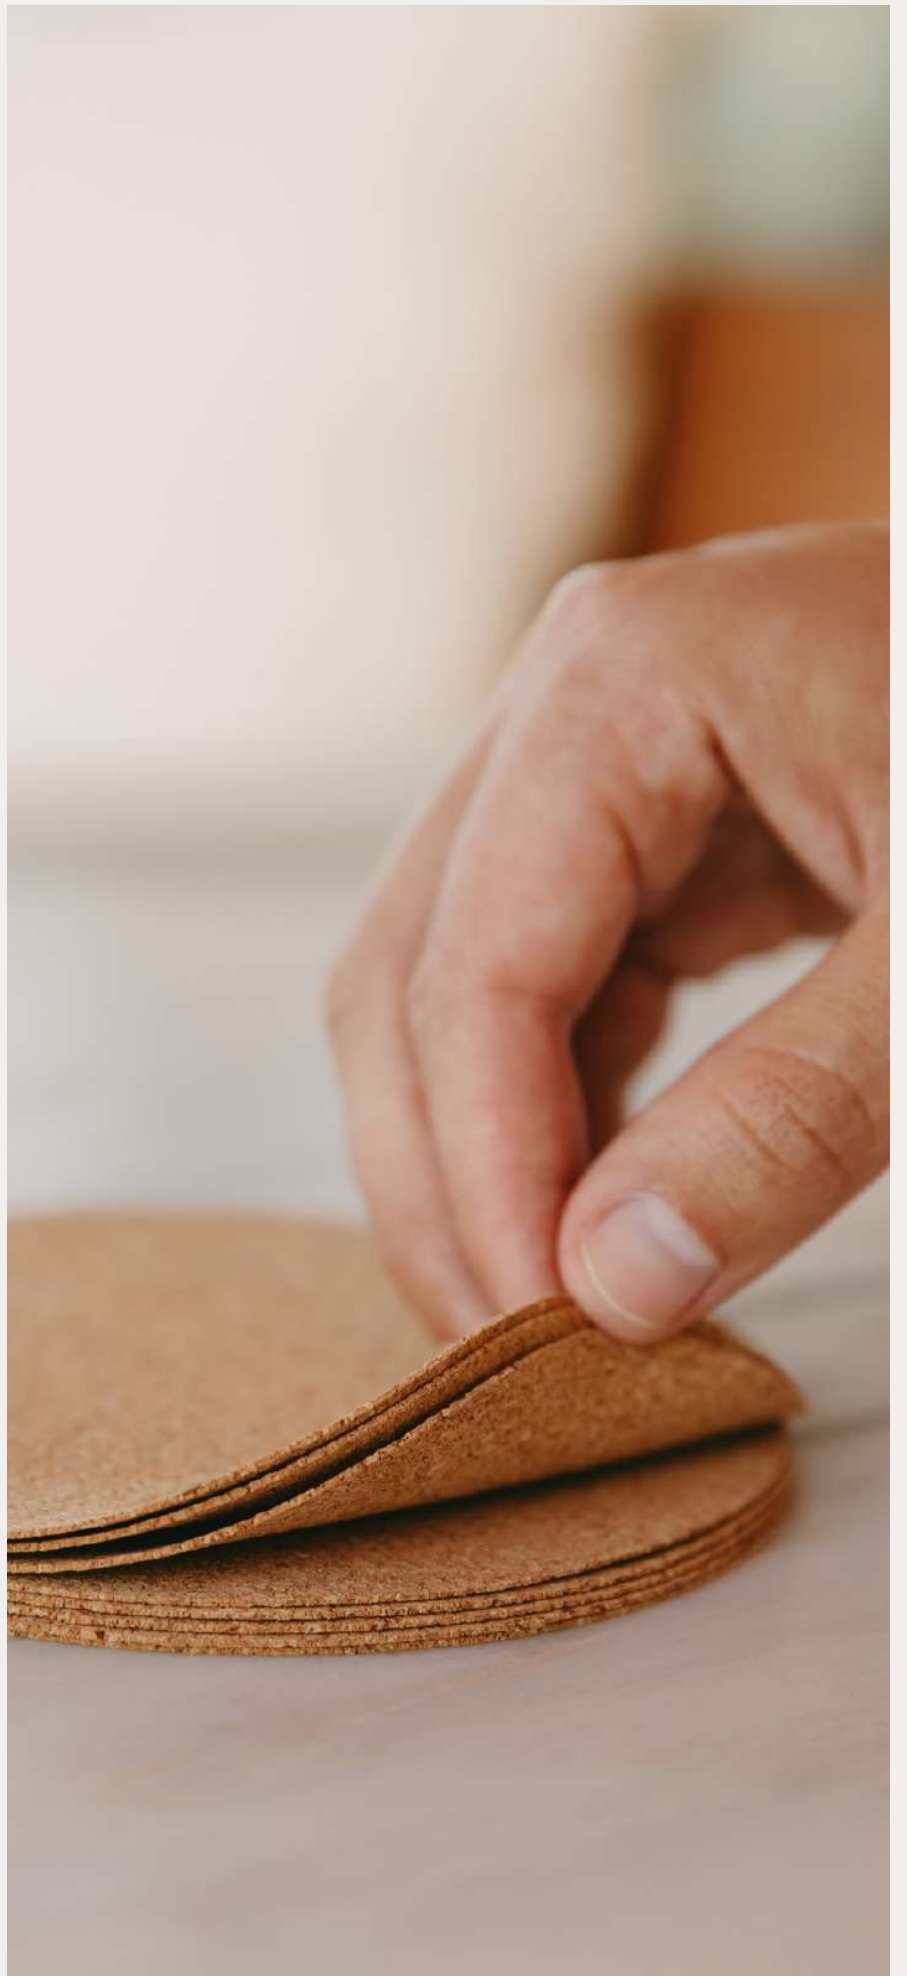

ACCESSORIES

From simple amenities to the most extravagant accessories, our designers draw the models for your projects. We can help you choose the right materials and finishes to develop prototypes and bring your projects to life.
