Dear Shareholder,

1. Postponement

Notice of the Company's forthcoming Annual General Meeting to be held on Tuesday 13 December 2022 ("AGM" or "Annual General Meeting") was sent out with my letter to you of 17th November 2022 ("Notice of AGM"). Since then the RMT union has announced a series of 48 hour strikes for 13-14 and 16-17 December and 6-7 January 2023.

Your Board has considered the various options available for the AGM and have concluded that, rather than wait and hope that the problem will go away, a decision should be taken immediately as to whether to continue with 13th December or not. The AGM has to be held before the end of January 2023 and your Board believes that it is in the best interests of all that this flexibility should be used to postpone the AGM to a date which is, at least at the moment, not scheduled to be a railway strike day.

Accordingly, a Notice of Postponement of the AGM and a Notice of the Postponed AGM appear on the following pages.

Save for the new date for holding the AGM, the date when the Register of Members will close and the date by which proxies need to be lodged, all details of the earlier notice of 17th November 2022 remain unchanged.

2. Proxies

May I encourage you to submit a proxy form for your shares even if you are prevented from attending the postponed AGM.

Shareholders who are registered to view their holdings online using the Share Portal can cast their proxy votes there and are encouraged to do so. Otherwise a proxy form is available to download from the Company's website at www.egdon-resources.co.uk. Shareholders who have requested to receive all shareholder information in hard copy form should have received a proxy form with this letter. Proxy Forms should be submitted online or completed, signed and returned as soon as possible and in any event so as to be received by Link Asset Services not less than 48 hours prior to the time appointed for the holding of the AGM on 17th January 2023. Completion of a proxy form will not prevent you from attending the AGM in person if you so wish, however, as a precaution, you are encouraged to submit a proxy form even if you are planning to attend the AGM in person.

Yours sincerely,

Philip Stephens

Chairman

Notes:

1. A member is entitled to appoint one or more proxies to exercise all or any of the member's rights to vote on his/her behalf at the meeting. A proxy need not be a member of the Company. If a member appoints more than one proxy to vote at the meeting, each proxy must be appointed to exercise the rights attached to a different share or shares held by the member. If a member wishes to appoint more than one proxy and so requires additional proxy forms, the member should contact Link Asset Services on +44 (0) 371 664 0300 - calls are charged at the standard geographic rate and will vary by provider).
2. To be effective, the form of proxy and the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such authority, must be received by post or (during normal business hours only) by hand at the office of the Company's Registrars, being Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL, not less than 48 hours before the time of the holding of the meeting or any adjournment thereof. Proxies submitted using the Share Portal must be submitted by the same cut-off time.
3. Completion and return of the proxy form does not preclude a member from attending and voting at the meeting in person. Proxies submitted on the Proxy Form for the date of the AGM prior to its postponement shall be deemed to be submitted for the date of the postponed AGM unless superseded by a new proxy form.
4. In the case of joint shareholders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint shareholders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
5. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
6. In order to revoke a proxy instruction you will need to inform the Company by sending notice in writing clearly stating your intention to revoke your proxy appointment to Company's Registrars, being Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by the Company no later than 48 hours before the time of the holding of the meeting or any adjournment thereof. If you attempt to revoke your proxy appointment but the revocation is received after the time specified then your proxy appointment will remain valid.

If you have appointed a proxy and are permitted to and do attend the meeting in person, your proxy appointment will automatically be terminated.
7. In accordance with the permission in Regulation 41(1) of The Uncertificated Securities Regulations 2001 (SI 2001 No. 3755), only those holders of ordinary shares who are registered on the Company's share register at close of business on 13 January 2023 shall be entitled to vote at the above Annual General Meeting (or, in the case of an adjourned meeting, close of business on the day which is two days before the adjourned meeting) and to vote in respect of the number of shares registered in their names at that time. Changes to entries on the share register after close of business on 13 January 2023 shall be disregarded in determining the rights of any person to vote at the Annual General Meeting.
8. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
9. If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chairman, result in the Chairman holding such number of voting rights that he has a notifiable obligation under the Disclosure Guidance and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any member holding 3% or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure Guidance and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority.
10. Copies of the service agreements and letters of appointment between the Company and its Directors will be available for inspection at the registered office of the Company by prior arrangement and subject to government restrictions in relation to Covid 19, during usual business hours on any weekday (Saturdays, Sundays and Bank Holidays excluded) until the date of the meeting and also on the date and at the place of the meeting from half an hour before the meeting until the conclusion of the meeting.
