Far Infrared Heat
Utilises far-infrared heat which deeply penetrates the body for maximum benefits

Standard Chromotherapy
Comes with standard grade Chromotherapy (15 LEDs/6 colours)

Low EMF
Our True Wave™ heaters are the only infrared heaters with virtually no EMF

Built in Stereo Speakers
High quality stereo speakers make for an enhanced audio experience.

Eco-certified Wood Construction
Eco-certified Grade “A” Clear Western Red Canadian Cedar

Underfloor Heater
Exclusive underfloor infrared heating to enhance your sauna session

Features

Innovative Heating technology
Exclusively utilising our patent-pending True Wave™ heaters - an innovative fusion of carbon and ceramic, providing optimal, efficient, and safe therapeutic heat.

Heater upgrade available
The Clearlight® Premier Sauna has the ability to upgrade from Far Infrared to Full Spectrum with the addition of the True Wave™ Full Spectrum Heaters, which provide our highest output heat source, producing near, mid and far infrared wavelengths all at once.

360° Infrared Heat
Our saunas have heaters on the front wall, back wall, side walls and underneath the bench, heating your body from every direction, which targets your core, rather than just heating the sauna cabin air.

Traditional Sauna Design
The Clearlight® Premier range takes a traditional approach to design, all whilst incorporating cutting-edge technologies to bring this ancient wellness practice into the 21st century, with far-infrared heating and EMF shielding technology.

* For Residential customers only. Warranty on Commercial saunas are 5 years.
** Extra charges for NI and other islands or very remote locations

Specifications | CE-1

Dimensions & Weight	INTERIOR		EXTERIOR		WEIGHT
	Width	90 cm	Width	100 cm	148 kg
	Depth	100 cm	Depth	112 cm	
	Height	183 cm	Height	195 cm	
	Bench	84 x 51 cm			
Installation Requirements	Allow 50mm clearance at the rear and sides of your sauna.				
	Allow min 300mm above the roof of your sauna.				
	Ensure access to the powerpoint at all times, to allow for hard reset. We recommend installing the powerpoint at the roof level of your sauna.				
Note: It is possible to install your sauna in smaller spaces, however this may impede access for repairs and maintenance. Your sauna warranty does not cover costs related to gaining access for repairs.					
Heaters	True Wave™ Carbon & Ceramic Low EMF/ELF Heaters: Far Infrared heaters on the back wall, side walls, under the bench and in the floor.				
Power & Electrical Specs	230 V 1,410 W 6 A UK: The sauna uses a standard 13A household plug -type G. Ireland: The sauna comes with a type F plug				
Design	Eco Certified Grade “A” Nordic Spruce Zero volotile organic compounds 6mm tempered safety glass door and window Double wall tongue and groove construction				
Warranty	Your Clearlight® sauna comes with another exclusive – the Clearlight Infrared® Saunas Lifetime Warranty for residential use.				
For legal reasons we have to call it a Limited Lifetime Warranty. Why “Limited”? We cover parts and shipping for the entire lifetime, however labour is not included for a lifetime. We do however provide the parts and pay for shipping, and we will also provide instructions on how to resolve possibly issues with your sauna.
