

Maya Capital Launches Iberian Platform

London, 9 September 2021

Maya Capital LLP, a specialist real estate investment management firm, today announces the launch of a new platform focused upon the Iberian Peninsula.

This move into the Spanish and Portuguese markets represents an exciting development for Maya Capital and builds upon the firm's well-established track record of investment in the UK.

Maya Capital's management team have significant experience working on projects in the Iberian Peninsula and have been monitoring that market closely over recent months. Maya Capital's Iberian office will be based out of Lisbon and led by António Pinto de Abreu.

David Pralong, Managing Partner of Maya Capital, commented: "We believe this is the perfect time to expand our business into Iberia, which looks set for a positive recovery from the Covid-19 pandemic. We will target both residential and commercial opportunities and are excited to have António joining us to spearhead our effort there."

António Pinto de Abreu commented "I am thrilled to be joining Maya Capital as it makes an exciting step into the European market. I look forward to combining my local expertise with the wealth of experience at Maya in order to build a highly successful Iberian team."

Note to Editors:

About Maya Capital:

Maya Capital is a European real estate investment firm that elaborates dedicated niche investment strategies for its investors. Maya Capital has an entrepreneurial and hands-on approach, driven directly by the strong involvement of its principals. Over the last few years, Maya has deployed c.£165m of capital in UK regional commercial assets. Maya focuses on sophisticated strategies, and value creating initiatives including asset repositioning, financial structuring, and intensive asset and property management. Maya seeks opportunities resulting from special situations such as short leases, capex intensive assets or time-constrained purchases.
