5.1 Establishing an Account

Features, functions, parts or elements of the Capcade Services can be used or accessed only by holders of an Account. The person who wishes to create an Account must:

- a. complete the sign-up form on the Web Site
- b. accept these Terms by clicking "Sign up" or other similar button.

Each Client may have only one Account. If several persons need to use an Account on behalf of Client, Client must designate such persons as Users. Each such User shall be subject to the restrictions set forth in these Terms.

Supplier may, in its discretion, request additional information or proof of the person's credentials. If Supplier is not certain if a User has been granted Authorization, Supplier may, in its sole discretion, prevent such User from accessing the Capcade Services.

The Client and any User associated with an Account must provide Supplier with true, accurate, current, and complete information about the Client, Users or Account and keep it up to date.

5.2 Logging Into an Account

Supplier shall provide Client with a username and password ("Login Credentials") to be used to log in to its Account unless the Client uses the single sign-on Feature or another service to log in. These Login Credentials must not be used by multiple persons. If Client has designated several Users, each User will be provided with separate Login Credentials. Client and each User are responsible for keeping confidential all login credentials associated with an Account. Client must promptly notify Supplier:

- a. of any disclosure, loss or unauthorized use of any Login Credentials;
- b. of a User's departure from the Client's organization;
- c. of a change in a User's role in the Client's organization;
- d. of any termination of a User's right for any reason.

5.3 Termination of Account

Client may terminate these Terms at any time as provided in Section 17.

Supplier shall permanently delete the Account within six months of the effective date of the termination.

5.4 Fees

The use of an Account is subject to a Fee. Upon sign-up for an Account, the Client must select a Plan. Different rates apply to different Plans. The applicable Fee is charged in advance on monthly or annual payment intervals, unless agreed otherwise between parties. All Fees are non-refundable, i.e. there are no refunds or credits for periods where the Client did not use an activated Account, used it only partially, or deactivated the Account or terminated these Terms during an ongoing payment interval. If, after signing up, Client elects to upgrade to a more expensive Plan, the unused portion of any prepaid Fees shall be

applied to the Fee of the more expensive Plan.

All Fees are exclusive of all taxes, levies or duties applicable under any applicable law, unless otherwise stated herein. Client is solely responsible for the payment of such taxes, levies or duties.

5.5 Changing Plans

Any Client has the right to upgrade or downgrade a current Plan at any time by selecting a new Plan among the collection of Plans determined by the Supplier.

Downgrading of the current Plan may cause the loss of Features, functionality, or capacity of the Account, as well as the loss of Client Data.

5.6 Free Trial

A new Client may be entitled to a Free Trial, unless the Client has applied for the Account as a result of an ongoing marketing campaign organized by the Supplier in co-operation with its partners. The Client is not required to provide any credit card information during the period of Free Trial. If the period of Free Trial has expired, the Account will be automatically deactivated. In order to prevent deactivation or to reactivate the Account, the Client is required to select a suitable Plan and pay the first Fee. If the Client does not pay the first Fee within 2 weeks as of the expiry of the Free Trial, Supplier has the right to permanently delete the Account, including all Client Data therein.

In addition to the current collection of Plans, Supplier may offer special discounts and motivation schemes (for example finder's fees, etc.).

6. Payment

The following provisions are applicable only if you purchase access to the Capcade Services directly from Supplier. If you purchase access to the Capcade Services through a Reseller, the payment terms are set forth in the agreement with your Reseller.

6.1 Direct Debit Payments

Supplier may, if Client elects, request that Client complete a direct debit mandate to enable direct debit payments. In such cases Supplier shall comply with all applicable national rules and regulations related to direct debit payments.

6.2 Electronic Invoice

If Supplier has not sought pre-authorization of your payment card, then before the end of each payment interval, Client will be issued an electronic invoice for payment of the Fee of the next payment interval. Client must pay the invoice by the due date indicated on the invoice.

6.3 Overage Charges

Upon delay with any payments, Supplier may require the Client to pay interest on the delay (penalty for late payment) for the period as of the time the payment obligation falls due until conforming performance is rendered.

7. Client data

7.1 Uploading Client Data to Platform

If the Client uploads Client Data to the Platform, such Client Data and any processing of such Client Data must be in compliance with these Terms and applicable law. All rights, title and interest in and to the Client Data belong to the Client or third persons (including Users, persons and Organizations) whether posted and/or uploaded by you or made available on or through the Capcade Services by Supplier. By uploading Client Data to the Platform, Client authorizes Supplier to process the Client Data. The Client is responsible for ensuring that:

a. the Client and any of the Users associated with the Account do not create, transmit, display or make otherwise available any Client Data that violates the terms of these Terms, the rights of Supplier, other Clients or Users, persons or Organizations or is harmful (for

example viruses, worms, malware and other destructive codes), offensive, threatening, abusive, harassing, tortuous, defamatory, vulgar, obscene, invasive of another's privacy, hateful or otherwise unlawful; and

b. Client and all of the Users associated with the Account have the necessary rights to use the Client Data, including to insert it into the Platform and process it by means of the Account.

7.2 No Guarantee of Accuracy

Supplier does not guarantee any accuracy with respect to any information contained in any Client Data, and strongly recommends that you think carefully about what you transmit, submit or post to or through the Capcade Services. You understand that all information contained in Client Data is the sole responsibility of the person from whom such Client Data originated. This means that Client, and not Supplier, is entirely responsible for all Client Data that is uploaded, posted, transmitted, or otherwise made available through the Capcade Services, as well as for any actions taken by the Suppliers or other Clients or Users as a result of such Client Data.

7.3 Unlawful Client Data

Supplier is not obliged to pre-screen, monitor or filter any Client Data or acts of its processing by the Client in order to discover any unlawful nature therein. However, if such unlawful Client Data or the action of its unlawful processing is discovered or brought to the attention of Supplier or if there is reason to believe that certain Client Data is unlawful, Supplier has the right to:

- a. notify the Client of such unlawful Client Data;
- b. deny its publication on the Web Site or its insertion to the System;
- c. demand that the Client bring the unlawful Client Data into compliance with these Terms and applicable law;
- d. temporarily or permanently remove the unlawful Client Data from the Web Site or Account, restrict access to it or delete it.

If Supplier is presented convincing evidence that the Client Data is not unlawful, Supplier may, at its sole discretion, restore such Client Data, which was removed from the Web Site or Account or access to which was restricted.

In addition, in the event Supplier believes in its sole discretion Client Data violates applicable laws, rules or regulations or these Terms, Supplier may (but has no obligation), to remove such Client Data at any time with or without notice.

Without limiting the generality of the preceding sentence, Capcade Inc complies with the Digital Millennium Copyright Act, and will remove Client Data from the Platform upon receipt of a compliant takedown notice.

Capcade as the data processor will assist the Client as the data controller in meeting the Client's obligations under Regulation (EU) 2016/679, providing subject access, and allowing data subjects to exercise their rights under Regulation (EU) 2016/679.

7.4 Compelled Disclosure

Supplier may disclose a Client's confidential information to the extent compelled by law to do so. In such instance, Supplier will use commercially reasonable efforts to provide Client with prior notice of the compelled disclosure (to the extent legally permitted) and Client shall provide reasonable assistance, at its cost, if Client wishes to contest the disclosure. If Supplier is compelled by law to disclose Client's confidential information as part of a civil proceeding to which Supplier is a party, and Client is not contesting the disclosure, Client will reimburse Supplier for its reasonable cost of compiling and providing secure access to that confidential information.

- b. ceasing providing or discontinuing the development any particular Capcade Service or part or element of the Platform temporarily or permanently;
- c. taking such action as is necessary to preserve Supplier's rights upon any use of the Capcade Services that may be reasonably interpreted as a violation of Supplier's intellectual property rights, distribution of Internet viruses, worms, Trojan horses, malware, and other destructive activities or illegal activity.

As applicable, Client may be notified of such modifications when logging in to the Account. Modifications, including change in applicable rates for the Capcade Services, will become effective thirty (30) days before the effective date of such modification.

If the Client does not accept the modification, the Client shall notify Supplier or Reseller (if Client purchased access to the Capcade Services from a Reseller) before the effective date of the modification, and these Terms will terminate on the effective date of the modification. The Client's continued use of the Capcade Services, or any part or element thereof, after the effective date of a modification shall indicate its consent to the modifications. Supplier shall not be liable to the Client or to any third person for any modification, suspension or discontinuance of the Capcade Services, or any part or element thereof.

9.2 Duration

Upon termination, Supplier will store the Client's data for a period of six months, should the Client wish to reopen the Account to resume the use of the Capcade Services or to export Client Data, unless instructed otherwise by the Client. After that, the contents of the account may be recoverable from Supplier's backups

for another 30 days. The Supplier deletes or returns all the personal data to the controller after the end of the provision of services relating to processing, and deletes existing copies unless Union or Member State law requires storage of the personal data.

In the event a mutually acceptable resolution cannot be reached within a reasonable time, either party will be entitled to seek all available remedies, including legal remedies subject to the terms and conditions set forth below. Notwithstanding the foregoing and subject to the terms and conditions set forth below, either party may seek injunctive relief with respect to any

disputed matter to the extent possible under applicable law. Should an amicable settlement between parties not be possible, the dispute shall be finally solved in court or by arbitration as designated herein subject to the terms and conditions set forth below. The United Nations Convention on Contracts for the International Sale of Goods (Vienna Convention of 1980) shall not be applied to these Terms. Any questions relating to these Terms which are not expressly or implicitly settled by the provisions contained in these Terms shall be governed by and construed in accordance with the following:

These Terms (and any further rules, policies or guidelines incorporated by reference therein) shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any principles of conflicts of law. Unless otherwise agreed in writing by the Client and Capcade Inc, any dispute arising out of or relating to these Terms, or the breach thereof, shall be governed by the terms set forth in this Section 18.2. City of New York, New York, to the extent Section 18.2 does not apply. For Clients domiciled in the United States, any dispute arising from or relating to the subject matter of these Terms shall be finally settled by arbitration in New York, New York, using the English language in accordance with the Arbitration Rules and Procedures of JAMS then in effect, by one commercial arbitrator with substantial experience in resolving intellectual property and commercial contract disputes, who shall be selected from the appropriate list of JAMS arbitrators in accordance with the Arbitration Rules and Procedures of JAMS. The prevailing party in the arbitration shall be entitled to receive reimbursement of its reasonable expenses (including reasonable attorneys' fees, expert witness fees and all other expenses) incurred in connection therewith. Judgment upon the award so rendered may be entered in a court having jurisdiction or application may be made to such court for judicial acceptance of any award and an order of enforcement, as the case may be. Notwithstanding the foregoing, each party shall have the right to institute an action in a court of proper jurisdiction for injunctive or other equitable relief pending a final decision by the arbitrator. For all purposes of these Terms, the parties consent to exclusive jurisdiction and venue in the United States Federal Courts located in New York, New York. Use of the Capcade Services is not authorized in any jurisdiction that does not give effect to all provisions of these Terms, including without limitation, this section.

We each agree that we shall bring any dispute against the other in our respective individual capacities and not as a plaintiff or class member in any purported class, representative proceeding or as an association. In addition, we each agree that disputes shall be arbitrated only on an individual basis and not in a class, consolidated or representative action. The arbitrator does not have the power to vary these provisions. For Clients domiciled in the United Kingdom, all disputes arising out of or in connection with the present Terms, including any question regarding its existence, validity or termination, shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce ("ICC") (the "Arbitration Rules") by one (1) arbitrator with substantial experience in resolving intellectual property and commercial contract disputes, appointed in accordance with the said Arbitration Rules. The place of the arbitration shall be London (England). The language of the arbitration shall be English. The arbitration shall be commenced by a request for arbitration by the either party (the "Claimant"), delivered to the other party (the "Respondent"). The request for arbitration shall set out the nature of the claim(s) and the relief requested. Except as otherwise specifically limited in these Terms, the arbitral tribunal shall have the power to grant any remedy or relief that it deems appropriate, whether provisional or final, including but not limited to conservatory relief and injunctive relief, and any such measures ordered by the arbitral tribunal shall, to the extent permitted by applicable law, be deemed to be a final award on the subject matter of the measures and shall be enforceable as such. Each party retains the right to apply to any court of competent jurisdiction for interim and/or conservatory measures, including pre-arbitral attachments or injunctions, and any such request shall not be deemed incompatible with the agreement to arbitrate or a waiver of the right to arbitrate. The existence and content of the arbitral proceedings and any rulings or awards shall be kept confidential by the parties and members of the arbitral tribunal except (i) to the extent that disclosure may be required of a party to fulfill a legal duty, protect or pursue a legal right, or enforce or challenge an award in bona fide legal proceedings before a state court or other judicial authority, (ii) with the consent of all parties, (iii) where needed for the preparation or presentation of a claim or defense in this arbitration, (iv) where such information is already in the public domain other than as a result of a breach of this clause, or (v) by order of the arbitral tribunal upon application of a party. The arbitral tribunal may include in its award an allocation to any party of such costs and expenses, including lawyers' fees, as the

arbitral tribunal shall deem reasonable. Any award of the arbitral tribunal shall be final and binding on the parties. Enforcement of any award may be sought in any court of competent jurisdiction.

If any part of this provision is ruled to be unenforceable, then the balance of this provision shall remain in full effect and construed and enforced as if the portion ruled unenforceable were not contained herein.

19.5 No Waiver

Failure of either Party to exercise or enforce any provision of or any of its rights under these Terms shall not be deemed a waiver of future enforcement of that or any other provision or right.
