Bright Eyes in Camps Bay

SAL-CB311

As one of the best holiday homes in Camps Bay, this contemporary designed high-class villa features generous entertaining space next to a raised rim flow pool.

4 en-suite double bedrooms.

Experience the 3 large sun terraces for stunning panoramic views from arguably the best elevated position in Camps Bay, yet only a 5-minute walk from the beach.

The clean, contemporary lines of the villa are offset by sculpted African artefacts and large, colourful oil paintings.

Camps Bay, Lion's Head, and the Twelve Apostles mountains may be seen from the living room and rim-flow pool.

The entire villa is made of glass. The villa's bottom floor features a huge open-plan living and dining area that makes the most of the front-facing vistas.
