## Bali Paradise in Camps Bay

PH-CB067

Enjoy the relaxing and mysterious noises of water crashing as you relax in a pool in the center of an exciting and extravagant garden, surrounded by tropical flora and rich greenery. If you are someone who never gets tired of having only beautiful places to see, then Bali Paradise is the place for you. The magnificent and alluring entryway greets guests.

Walk inside your resort, looking at the amazing ocean vistas with each step you take across the bamboo-covered walkway leading into the resort.

As you approach, a stairway is directly in front of you, while the side bedrooms flank your entry. A spacious kitchen with a scullery and pantry is on the ground level. In addition to the gorgeous work space, you will have access to a gym where you can keep fit during your time away from the office

When you step out of the lobby, you'll be able to enjoy the outdoor setting, which features a pool, barbeque, and garden. It's the great place to spend summer evenings with your friends and family. Outside of the pool, the pool deck features a seating area, which is also shaded.

Bali Paradise is furnished with six bedrooms, four of which have king-size mattresses, and two provide queen-size beds. There are two bedrooms on the lower level, and four on the top floor.

#### Master suite:

A huge walk-in closet is included in the Master suite's stunning 53 square meters. In addition to the beautiful, elegant bed, there is a bedroom lounge in the room. The Master Suite includes several elements that will help keep it quiet, including doors that are soundproof and under floor heating. En-suite bathrooms offer showers and baths, with the showering option for your enjoyment. Sitting in the bathtub is an incredible experience. You can watch the sea and the Lion's Head rock out to the pounding waves.

#### Room2:

Table Mountain and Lions Head look spectacular from Room 2's own balcony, where you may rest in several comfortable lounge chairs and take a long stroll on the beautiful hardwood flooring. On the comfortable Queen sized bed, enjoy the massive Samsung TV's ability to broadcast cable and satellite programming to keep you entertained all night long.

You'll love the rejuvenating shower. Many amenities are accessible to you in your accommodation, including air-conditioning, a telephone, a safe, docking stations for your iPod and iPad, and more.

#### Room3:

Also, found in the suite, 48 square meters, the guest finds a beautiful King-sized bed with delicate drapery and several other features to make a lasting impression. Enjoy spectacular views while sitting on the two-seater couch or recliner with a private balcony outside your door. In the room, there is a kitchenette already installed, so you may cook anything you want whenever you want. A large bathtub and a strong shower are also present in the lavish bathroom suite. The Samsung flat screen TV with satellite, telephone, iPod and iPad docking stations, as well as the built-in safe in the room provide the luxuries you may enjoy.

#### Room4:

One of the most beautiful beds in the hotel is in Room 4. It is made of smooth wood and looks really lovely for a fun winter break or for the warm days of summer. The balcony offers exceptional views of the house's lovely surroundings, which includes views of the sea and the garden. Guests of the property will be treated to a spa-like shower and bath tub, with heated towel rails to dry off after a peaceful soak.

#### Room5:

In addition to having their own garden, guests may unwind while enjoying the Bali Paradise's natural beauty in Room 5, which is located on the lower floor. Room 5 is perfect for unwinding: the floor is heated, the soundproof doors are equipped with Samsung flat screens, and there's a King-sized bed. This magnificent walk-in shower in the private bathroom is paired with attractive fixtures and fixtures.

#### Room6:

Located in the heart of Seminyak, Room 6 is a magnificent private apartment, offering its own Balinese style patio. In addition to the flat screen TV with satellite, air conditioning, under floor heating, and walk-in closet, the room is fully stocked with electronics, including laptop, wireless access, and phone charging. After a long day, you may kick back on the large bed, listen to your favorite music via the docking stations for your iPod and iPad, and enjoy. The modern design of the recently refurbished bathroom boasts sleek finishing, including a strong shower and towel racks that can heat the towels.
