

Nashville's Efforts to End Homelessness

Embracing Change and Looking to the Future

Increasing Capacity &
Building Connections:
Bridging to the Future

Judith Tackett, Director, Metro Homeless Impact Division Nashville, TN

Homelessness in Nashville

Point In Time: 2,298

1,682 in shelters/transitional
housing
616 outdoors

Winter Emergency Shelter beds: 1,079

Nashville's Community Effort

- 1. Consolidated Leadership**
- 2. Strategic Plan**
- 3. Functional Homeless Management Information System**

Ending homelessness is YOUR responsibility.

Listen to people with lived experience.

You are the reason we can end homelessness.

Ending homelessness is about:

- Being part of a team
- Building community
- Focusing on the strength of *all* of our neighbors – housed or not!
