ETHICAL LEADERSHIP CHALLENGE

Sponsored by Daniels Fund Ethics Initiative High School Program and

DANIELS FUND
ETHICS INITIATIVE
High School Program

The **Ethical Leadership Challenge** provides an opportunity for participants learn about principle-based ethics and principles of ethical leadership. Participants will then develop a 60-second (or less) public service announcement (PSA) video describing one of the following ethical principles: integrity, trust or respect. The PSA should be designed to educate the local community and those afar through social media about the importance of ethics. Participants can be as creative as they like in creating and producing their PSAs.

CHALLENGE OVERVIEW

- This event consists of one major part: the **public service announcement** video that is a maximum of **60 seconds** in length posted on Votigo. (See Presentation Guidelines.)
- Each event entry will be composed of **one to four members** of a DECA chapter. Chapters may submit multiple entries for consideration.
- The participants will research and study one of the following ethical principles: integrity, trust or respect.
- The participants will then develop a public service announcement based on a specific target market segment while storyboarding, script writing, filming, editing, publishing and sharing the PSA. The PSA must focus on **one** of the listed ethical principles.
- Videos over 60 seconds in length will not be evaluated and will not be eligible for awards.
- The participants must fully complete and submit the online registration form at www.deca.org/challenges no later than **November 21 at 3:00 p.m. ET** to be eligible for awards. Late entries and entries over 60 seconds will not be accepted.
- Participants should share the PSA video on social media to create the most social buzz for the PSA while spreading the important message around the ethical principle of the participant's choice.
- The top 10 PSAs through the social platform will then be evaluated against criteria to determine the top five winners.
- DECA Inc., the Daniels Fund and MBA Research & Curriculum Center are not responsible for lost, damaged, mislabeled or misdirected entries.

DANIELS FUND ETHICS INITIATIVE PRINCIPLES

The Ethics Initiative and each of its components extend beyond philosophy and theory to real world, practical application of ethical principles as a framework for personal and organizational decision-making. The Daniels Fund believes ethics education must convey that principles are constant foundations – not relative to a specific situation – and that doing what is right prevails over self-interest when the two may appear to be in conflict.

- Integrity
- Trust
- Accountability
- Transparency
- Fairness
- Respect
- Rule of Law
- Viability
