CONFERENCE HIGHLIGHTS

The Collegiate DECA International Career Development Conference offers the opportunity for members to participate in competitive events, challenges and so much more!

COMPETITIVE EVENTS
Collegiate DECA’s Competitive Events Program allows students to put their experience, skills and knowledge to the test while representing their college or university. Students compete for top international honors in one of 25 competitions. Students are evaluated by business and industry professionals against industry-validated knowledge and skill standards. See the Collegiate DECA Guide for the official competitive events list (page 21), general rules and regulations (page 20) and specific guidelines for each competitive event.

EMERGING LEADER SERIES WORKSHOPS
As part of the Emerging Leader Series, workshops will be hosted to focus on preparing emerging leaders and entrepreneurs as well as on topics designed to help build strong chapters. Check the conference app for the workshops offered at this year’s conference.

EXHIBITS + BUSINESS NETWORKING
Network with representatives from corporate supporters and education partners participating as exhibitors. You’ll also have an opportunity to have your portrait taken for your LinkedIn profile. You can even engage in chapter, career development and business networking sessions.

EXECUTIVE OFFICER ELECTIONS
One exciting highlight of the conference is the election of the executive officer team who will serve the upcoming year. Collegiate DECA’s Executive Officers are elected by the student members to provide leadership for the current academic year. As our primary student public relations agents, Collegiate DECA’s Executive Officers represent more than 4,000 members to a variety of key stakeholders, including fellow members, advisors, education administrators, business partners, public policymakers and more. They also develop a program of leadership to assist in the implementation of DECA Inc.’s strategic plan. Executive Officer Candidate applications are due March 1, 2024.

ADVISOR PROFESSIONAL LEARNING
The Advisor Professional Development Series is a unique professional learning event designed to help advisors take their chapter to the next level. Attendees will engage in an idea exchange led by innovative advisors and corporate partners.
