ENTREPRENEURSHIP
GROWING YOUR BUSINESS

ENTREPRENEURSHIP–GROWING YOUR BUSINESS

The Entrepreneurship–Growing Your Business event involves the idea generation and strategy development needed to grow an existing business. Only Collegiate DECA members who currently own and operate their own business may participate in this event.

The Entrepreneurship–Growing Your Business event involves one to three students analyzing their current business operations and identifying opportunities to grow and expand the business. Options may include franchising, expanding into new markets, opening a second location, licensing agreements, merging with or acquiring another business, diversifying product lines, forming strategic alliances with other businesses, expanding to the Internet, etc.

EVENT OVERVIEW

The Entrepreneurship–Growing Your Business event consists of two major parts, both evaluated by the judge, for a maximum 100 points:

- The written entry is limited to 15 pages, and will account for a maximum 50 points. Proof of ownership documentation is NOT counted towards the maximum 15 pages.
- The oral presentation by the students, limited to 15 minutes including set-up, presentation time and answering questions from the judge, will also account for a maximum 50 points.

Each team will be composed of one to three student participants. All participants must be documented owners/operators of the business.

For the presentation, the judge will assume the role of a potential investor and will evaluate both the written entry and the presentation.

Read carefully the Format Guidelines for the Written Entry, Guidelines for the Presentation, Written Entry Checklist, Written Statement of Assurances and Evaluation Forms.

Preliminary round competition will consist of an evaluation of the written entry (minus deductions from the Written Entry Checklist) accounting for 50 points, and one presentation, also accounting for 50 points. Students will be ranked according to their combined score, and a predetermined number of students/teams will be named finalists. Finalists will again be evaluated based on their written entry (minus deductions) and presentation to determine final rankings.

PROOF OF OWNERSHIP

All participants must be documented owners/operators of the business. A parents’ business does not qualify.

Examples of sufficient documentation of ownership include items that clearly list the name(s) of the owner(s)/operator(s) such as:
- Notarized affidavit of ownership, business licenses
- Certificates of insurance
- Tax filings
- Local business permits

Example of insufficient documentation of ownership include items that are less official such as:
- Web pages
- Business cards
- Promotional materials

WRITTEN ENTRY JUDGING
Current entrepreneurs have worked to develop a plan to grow and expand their current business operations. Growth options may include franchising, expanding into new markets, opening a second location, licensing agreements, merging with or acquiring another business, diversifying product lines, forming strategic alliances with other businesses, expanding to the Internet, etc.

Please familiarize yourself with all of the guidelines before reading any of the written entry. Penalty points (see Written Entry Checklist) have already been assessed. Your job is to evaluate the written entry based on the Written Entry Evaluation Form.

• Evaluate the written entry using the Written Entry Evaluation Form. Refer to the Evaluation Criteria section for guidelines.
• On the score sheet provided, please mark the appropriate score and verify accuracy. Please make sure not to exceed the maximum score possible for each item.
• Please make sure to score all categories and verify the total score. The maximum score for the written entry is 50 points.

PRESENTATION JUDGING
• Please familiarize yourself with all of the guidelines before interacting with students. Your job is to evaluate the presentation based on the Presentation Evaluation Form.
• Students will be scheduled for presentations at 20-minute intervals.
• Students will have up to 15 minutes to outline the growth plan and answer questions. Remember, you are role-playing a potential investor.
• You may ask questions of the students to determine their ability to think spontaneously. To ensure fairness, you must ask all students the same standard questions. After asking the standard questions, you may ask other questions for clarification specific to the current students.
• To ensure fairness, at no time should students be asked where they are from (school, state, country, etc.).
• Following their interaction with you, please thank the students and state that a decision on the financing will be made soon and that the students will be notified of the decision. Please give no indication of their performance/score.
• During the last 5 minutes, after the students are excused from the judging area, you may score the students. Refer to the Evaluation Criteria section for guidelines. On the bubble sheet provided, please bubble in the appropriate score and write the score on the corresponding line to verify accuracy. Please make sure not to exceed the maximum score possible for each item.
• Please make sure to record a score for all categories, add them for the total score and then initial the total score. The maximum score for the presentation is 50 points.

During the presentation, ask yourself, “Will this work? Is it realistic? Do the students sound knowledgeable? Are the students communicating clearly?” Ultimately, you must decide, “Would I lend money to or invest in this person(s) and this proposal?”

JUDGING SUMMARY
Maximum score is 100 points. A score of 70 or better will earn the students a Certificate of Excellence.

Thank you for volunteering your time to evaluate our emerging leaders and entrepreneurs.

EVALUATION CRITERIA
A score under the heading Exceeds Expectations in any category means that, in your opinion, the information is presented in an effective, creative way; in effect, nothing more could be expected of the students, and the decisions/recommendations have been presented well.

A score under the heading Meets Expectations in any category means that, in your opinion, the information is presented well. There may be a few minor problems or omissions, but they are not significant. Decisions/recommendations that earn this level in every category for the presentation would probably receive strong consideration for implementation.

A score under the heading Below Expectations or Little/No Demonstration in any category means that some major flaw has been noted which damages the effectiveness of the presentation. This may be a major omission, a serious misstatement or any other major flaw.
