THE DECA BRAND

DECA's brand identifies a remarkable experience in the preparation of emerging leaders and entrepreneurs. The enhanced brand with updated message statements and new logo collectively define our organization while retaining our historic connections and name recognition. More than ten million students, educators, school administrators and business professionals have contributed to DECA’s brand through their membership and affiliation with the organization for over 75 years.

Our logo is the intellectual property of the entire DECA community. Only officially recognized members, chapters and associations should be able to identify themselves as DECA by using our logos. Private companies should not be able to profit from the sale of items with DECA logos. Individuals and/or groups should not be permitted to use DECA logos to promote unauthorized programs, projects and products.

The introduction of new logos offers us an opportunity to protect the logos and DECA’s brand from unauthorized use. We are publishing these guidelines for acceptable use of our new logos to ensure that the logo is fully protected under the latest intellectual property rights laws.
