INFORMATION TECHNOLOGY SCHOLARS PROGRAM

Church Mutual Insurance Company, S.I. (a stock insurer)[1] and Lakeland University, in cooperation with MKE Fellows, are proud to offer the Information Technology (IT) Scholars Program to support the educational goals of students in pursuit of careers in IT.

PAID TUITION

Interested students meeting eligibility (GPA and ACT) requirements may submit an application. Students who are accepted into the IT scholar program and enroll or have completed one full year at Lakeland University are eligible for tuition reimbursement.

PAID OPPORTUNITY

Students accepted into the IT Scholars program will work part-time in Church Mutual's IT department, having the potential to earn up to 30 credits toward their IT degree (Bachelor's of Science in Computer Science) and gaining valuable work-experience while attending Lakeland University. Upon graduation, students will receive full-time employment with Church Mutual®.
