How does it work?

1. Choose your gift of choice - select the eGift Card or a retailer specific eGift cards
2. Personalise eGift cards with your branding, and custom graphics
3. Add a bespoke message to be delivered with an eGift card
4. An employee will receive an email with your message and their eGift card
5. eGift card funds can be swapped to use at the retailers of the employee's choice
6. Funds can be used across multiple retailers and balances saved for when they want to spend them
