

Our philosophy is a simple blend of quality wines combined with an authentic mountain town experience. Founded in historic Park City, Utah, we strive to make great wine approachable, welcoming, and fun.

Through a unique and innovative approach, our team sources from premiere locales across the West Coast to blend and bottle at oTc.

Old Town Cellars represents the future of winemaking - an inviting culture, captivating blends, and a brand defined by the community in which it was founded.

**Welcome to the official wine of après.**
