Performance

WindZone™ performance means our fence has a dynamic wind load testing up to 115 mph.

Meets ASTM requirements and complies with local codes for **swimming pool applications**. Check with your local building code official as local codes may vary.

Sound absorption - Blocks 98% of direct sound, with an (STC) sound transmission class of 21 for extruded.

Proprietary **ColorLast® fade protection** guarantees dark colors and stain blends won't fade more than 4 Hunter units.

Sustainable - CertainTeed respects the environment through the responsible development of sustainable building products and systems.

Made in the U.S.A. - For more than 100 years, homeowners and building professionals alike have relied on CertainTeed as a trusted source of innovation, high-quality building products. Bufftech fence is proudly made in the U.S.A.
