

Denner Group GmbH | Thayapark 17 | 2136 Laa/Thaya, Austria

Dear Partner

Following the takeover of Environmental Business Products Ltd by the Denner Group in April 2023, there has been a lot of focus and energy on driving the business forwards and making necessary changes to ensure the longevity and future success of the Group.

It was always the intention to streamline the London-based business by driving efficiencies and reducing unnecessary costs, ultimately strengthening the Group as a whole. As such, the Denner Group would like to open up a dialogue with existing Denner EBP customers to discuss the opportunity for the team in Austria to continue providing all current services, via the Group headquarters in Laa.

One of the team will be in touch soon with next steps for the opportunity to work via the Denner Group in Austria.

We strongly hope that you will continue to support us as we take this next step in the evolution and growth of the Denner Group.

Should you have any immediate questions, please do not hesitate to reach out.

We thank you in advance for your support as we undergo this next transition in our journey.

Kind Regards

**Gottfried Denner**
