

Reflective 911 Sign Form

By participating in this voluntary program you can greatly improve the ability of Police, Fire and Rescue resources to find your house at night and in an emergency!

Additional order forms are available at:

The Shelburne Firefighter's Association (SFA) is an IRS-registered 501(c)3 charitable organization formed to raise funds to benefit the Shelburne Fire Department. Although the SFA is run by the members of the Fire Department, the bylaws specifically prohibit the Association from transferring any of the funds to its members. The SFA is prohibited from funding any equipment that is a legitimate obligation of the Town of Shelburne.

The SFA accepts donations and uses those donations to purchase equipment for the Department that is beyond the Town's obligation. Funds raised by the SFA may only be used to benefit the Shelburne Fire Department.

Signs will have a green background and 3-inch white reflective numbers. Two sizes are available: 4" x 12" and 6" x 18" double-sided. Signs may be single or double-sided.
