## PRACTICE AREAS

Retail, Industrial, Energy, Consumer,  
Financial Services

## EXPERIENCE

20 Years

Highly driven and a perfectionist by nature, Mrinalini is committed to her clients, candidates, and colleagues. She has over 20 years' experience in Executive Search and has successfully placed senior/C-suite executives for multinational organizations in CPG, Financial Services, Retail, Oil & Gas and Manufacturing sectors in India and subsequently internationally – Asia, Middle East, Europe and North America.

She is part of the Financial Services Practice area and has worked within Retail, Corporate and Investment Banking advising clients on transforming business performance through strategic use of technology, analytics and innovation. Her ability to understand and adapt to the regional nuances and industry dynamics has abetted her in consistently delivering on niche searches across the globe.

She has also played a vital and hands-on role in building the organization's Knowledge Center which has been key in ensuring client and candidate satisfaction.

Mrinalini has dual Master's degree in HR as well as Marketing. Her early career was in Corporate HR where she worked in generalist and specialist roles with leading international organizations in the Manufacturing, Banking and IT sectors.
