Leon Shivamber is on the Board of Directors and an Advisory Partner at August Leadership with a record of building great teams and leading transformation across five continents.

Leon developed his skills in Strategy and Business Integrity during his years at **McKinsey & Company**, Change Management/Rapid Transformation during his New York Consulting Partners years, and High-Performance Acquisitions at **Arrow Electronics** (NYSE: ARW).

He spent five years leading the prize-winning Supply Chain and Operations transformation at then Harris Corporation (now L3 Harris Technologies NYSE: LHX).

For three years after that role, Leon extended and applied his transformation experience as a leader and general manager, building an international Joint Venture in one of the most dynamic regions of the world (the Middle East).

After that, Leon spent three years as CEO, leading the vibrant UAE-headquartered **Atlas Group** with strategic businesses in communications, defense, energy, food, healthcare, hospitality, public safety, and security. He also spent two additional years advising Atlas Group and other Middle East-based corporations on their transformation efforts.

Since then, Leon has returned to the United States and has been advising several corporate transformations.

Leon is a Fellow, Life Management Institute (**FLMI**) and a Trustee of the Board of Directors of **Baruch College Fund**.
