Cookie Policy

Last Updated: *February 2023*

1.   Overview

This policy outlines Haruko Limited's cookie policy.

2.   Scope of this policy

Haruko Limited (**we** or **us** or **our**) uses cookies when you visit our website, https://www.haruko.io, (the **Website**) to help customise the Website and improve your experience using the Website.

This policy applies between you, the user of this Website, and us, Haruko Limited, the owner and provider of this Website.

When you visit the Website, and before your Website places cookies on your computer, you will be presented with a message bar requesting your consent to set those cookies. By giving your consent to the placing of cookies, you are enabling us to provide a better experience and service. You may, if you wish, deny consent to the placing of these cookies; however, certain features of the Website may not function fully or as intended.

This cookie policy should be read alongside, and in addition to, our Privacy Policy.

3.   What are cookies?

A cookie is a small text file placed on your computer by this Website when you visit certain parts of the Website and/or when you use certain features of the Website.

This Website may place and access certain cookies on your computer. We use these cookies to improve your experience of using the Website and to improve our range of services.

Cookies do not usually contain any information that personally identifies you, the Website user. However, personal information that we store about you may be linked to the information obtained from and stored in cookies. For more information on how such personal information is handled and stored, please refer to our Privacy Policy.

4.   Types of cookies

This Website uses the following cookies:

Type of cookie	Purpose
Strictly necessary cookies	These are cookies that are required for the operation of the Website. They include, for example, cookies that enable you to log into secure areas of the website.

You can find a list of the cookies that we use in the attached Cookie Schedule.

We have carefully chosen these cookies and have taken steps to ensure that your privacy is protected and respected at all times.

5.   How to control your cookies

You can choose to enable or disable cookies in your internet browser. By default, most internet browsers accept cookies but this can be changed. For further details, please see the help menu in your internet browser.

You can switch off cookies at any time, however, you may lose information that enables you to access the Website more quickly and efficiently.

It is recommended that you ensure that your internet browser is up-to-date and that you consult the help and guidance provided by the developer of your internet browser if you are unsure about adjusting your privacy settings.

For more information generally about cookies, including how to disable them, please refer to aboutcookies.org. You will also find details on how to delete cookies from your computer.

6.   Changes to this policy

Haruko Limited reserves the right to change this cookie policy as we may deem necessary from time to time or as may be required by law. Any changes will be immediately posted on the Website and you are deemed to have accepted the terms of the cookie policy on your first use of the Website following the alterations.

7.   Contact details

The Website is owned by Haruko Limited, incorporated in England and Wales with registered company number 13383328, whose registered office is at 15 Bowling Green Lane, London EC1R 0BD, United Kingdom.

You may contact us at hello@haruko.io.

Cookie schedule

Below is a list of the cookies that we use. We have tried to ensure this is complete and up-to-date, but if you think that we have missed a cookie, or there is any discrepancy, please let us know.

Cookies that we use on the Website:

Strictly necessary cookies

We use the following strictly necessary cookies:

Name of cookie	Type	Duration	Cookie target description
wf-csrf	Strictly necessary (for security)	Session	This cookie ensures the security of visitors by preventing forgery of requests at different locations. This cookie is essential for the security of the website and the visitor.
wf-csrf.sig	Strictly necessary (for security)	Session	This cookie ensures the security of visitors by preventing forgery of requests at different locations. This cookie is essential for the website and the visitor.
