## **SPICED OLD FASHIONED (R85)**

Blackbeard's favourite. We're taking away the bourbon, and offering a black rum instead of our black hearts. Smokey and spicy.

## **OLD FASHIONED (R120)**

Slick and sweet, savoury and bitter. A blended mixture of our house bourbon, a dash of sugar and a splash of bitters.

## **CUBRA LIBRE (R70)**

Aweh... rum and coke with lime. We just make it better.

## **MARG (R70)**

As classic as the tunes. Tequila, lime, triple sex. Anything else is extra.

## **TIN PARROT (R65)**

Have a cuppa rooibos Surfa style. A bit of rum to add some woema, finished off with some fresh lime and ginger ale to get you ready for... more.

## **FIERO NEGRONI (R80)**

A bitter-sweet twist to a classic tail. The old is good, but this is better.
