

CRAZY 4s RULEBOOK

Revised February 2024

CLASS DESCRIPTION: Crazy 4s Index is open to all no wheelie bar bikes and will run on a 4.44 Index.

DESIGNATION: The class designation is CF. All entrants must display this designation on both sides of their motorcycle, followed by their bike number. Example: CF675

FORMAT: This is a 1/8-mile 4.44 Index class run on a .400 pro tree. The class will be on a 32 or 64-bike field, depending on attendance, and placed on a pro ladder. Lane choice is given to the rider with the better qualifying position when the ladder is generated and still applies to all subsequent rounds.

CHANGING BIKES: A racer can change his or her bike in qualifying if there is still another qualifying session for the class; however, all previous qualifying data will be erased, and the racer must re-qualify the new bike (You still need to notify the tower to change). The bike and rider that runs the first round is the one that must be used for the remainder of eliminations, even if the class is completed on another weekend due to weather.

POINTS: This class will be a points class at all Man Cup events.

GENERAL: A rider may only run one bike in this class.
