FASTMODEL SPORTS

FASTSCOUT®

Highlights

Coaching Dashboard
View your stats and your opponent's stats at a glance – all in one place. Save time with automated stats so you can focus more time on preparing for and winning your next game.

FastDraw Integration
Quickly draw, organize and share key plays through digitized playbooks that integrate with your scouting reports.

The Future of Scouting Reports
Create professional style scouting reports and distribute to mobile devices. Shot charts and advanced stats allow you to dive deeper as you analyze and prepare for your opponents.

Fully Integrated Platform
Everything you and your staff need to fully prepare for practice & games.
