# Solutions You Can Rely On

dipak Sourcing Solutions makes it easy for your business to save on all of your products.

## FACTORY IDENTIFICATION

We find you the best qualified factory for your needs from our own network of trustworthy manufacturers in Mexico.

Finding a manufacturer can be tedious, but our team will make this process easy for you.

## LOGISTICS

Leverage our solutions and vendor relationships to get the best prices possible.

Avoid countless hassles that accompany logistical planning.

## STORAGE

With our extensive network of local contacts, our team will ensure to find the right factory to store your products safely.

Optimize your company's productivity and efficiency with proper storage.

## SHIPPING

We will help get your products from point A to point B at the most affordable cost.

We will never proceed with a factory that does not live up to our high standards.

# Our Buyer Agent Approach

It's time to bring in a reliable partner who has the experience, network, and resources to get your product manufactured on time, on budget, and on quality.
