

Needs Beyond Medicine cordially invites you to join us for the eleventh annual Karen P. Brown Relief Golf Tournament at Thanksgiving Point Golf Club. As an organization dedicated to decreasing the burden of cancer on individuals undergoing treatment, NBM provides crucial financial support for non-medical expenses. Our mission also centers around educational outreach, emphasizing the importance of early cancer detection and prevention.

About the Karen Poulsen Brown Scholarship

The Karen Poulsen Brown scholarship was established by the Needs Beyond Medicine Board of Directors to honor Karen's dedication to her family, community, and the field of nursing. Having worked in nursing for over 20 years, Karen exhibited unwavering commitment, enthusiasm, and a positive attitude. This scholarship, set at \$1,000, aims to assist future nursing students who embody the same qualities. It is designed to help students offset specific college education costs.

About Needs Beyond Medicine's Relief Program

Needs Beyond Medicine's Relief Program creates financial assistance grants for individuals undergoing cancer treatment. These grants supplement living expenses not classified as medical expenses, covering costs such as transportation, groceries, utilities, rent, and more. By providing this support, the Relief Program offers much-needed relief for adults facing the greatest fight and period of hardship in their lives.

Your sponsorship and participation in the Karen P. Brown Relief Golf Tournament play a pivotal role in providing much-needed financial support for this important program. By joining us, you contribute to NBM's mission of helping more survivors and enhancing the Relief Program's reach. Your involvement allows us to continue supporting individuals during their challenging journey through cancer.
