Management's Statement

The Executive Board and Board of Directors have today considered and adopted the Annual Report of The Why Foundation (Fond) for the financial year 1 January - 31 December 2022.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the financial position at 31 December 2022 of the Foundation and of the results of the Foundation operations for 2022.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the Review.

Independent Auditor's Report

To the of The Why Foundation (Fond)

Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of the Foundation at 31 December 2022 and of the results of the Foundation's operations for the financial year 1 January - 31 December 2022 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of The Why Foundation (Fond) for the financial year 1 January - 31 December 2022, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies ("the Financial Statements").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the Financial Statements" section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

Management's responsibilities for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstate-

Independent Auditor's Report

ment, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events

Independent Auditor's Report

in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Management's Review

Nature of Business

The Why Foundation (hereinafter The Why) is a non-profit organization established in 2004 registered as an association but changed status to a foundation in 2014.

The Why exists to engage people to defend human rights through the power of storytelling.

The Why provides free access to the most powerful, high-quality documentaries on human rights, including to people with limited access to information.

The Why's Purpose

We believe free access to information and education is a human right. Significant barriers to accessing information contribute to gross inequality and knowledge gaps around the world. The Why exists to help public service providers provide access to free and reliable information, as well as to uphold citizens' right to know.

We make high-quality, independent, fact-based media available to students, communities and citizens at large via various outlets, including local and global public TV and The Why's YouTube channels.

We believe that informed citizens are better equipped to engage meaningfully including politically within their communities, regionally and globally. Supporting free public media and free press across the world is an investment in global sustainability.

Economic Summary

The financial year reflects the year's activities.

The 2022 turnover is significantly lower than last year and with a planned financial deficit for the year. This is due to the way The Why operates. Every 2-3 years we complete and launch our own topically themed film productions (Why Democracy 2007, Why Woman 2016, Why Poverty 2012, Why Slavery 2018, Why Plastic 2021). In the years where the films are launched and sold our turnover and costs are significantly higher than years where we primarily buy and disseminate completed films. The completion of the WHY PLASTIC? films shows how all income and costs related to the WHY PLASTIC? films accumulated from 2019 and are released from the balance sheet taken to the income statement in 2021.

We did not acquire new films in 2022 instead we spent the year on activities ensuring that the 20 films curated and launched in 2021 reached their full potential globally and created debates and reflections in more than 65 countries under the WHY STORIES banner.

In 2022 Nordea Fonden joined the A.P. Møllerske Støttefond and Lauritzen Fonden by providing a multi-year commitment.

Management's Review

Program Activities

Why Plastic?

The 2021 flagship campaign WHY PLASTIC? (3 films) continued in 2022 to spread knowledge and awareness about the challenges of plastic. A significant number of local partner organizations around the world arranged screenings and debates. Also global organizations like Greenpeace shared our films to their followers.

Why Stories

We focused on disseminating the 20 films acquired at the end of 2021 to an extended number of broadcasters and local partners in underserved countries.

Why Stories curates balanced well documented public service content, to provide groundbreaking social justice campaigns and to connect people across nationalities, religions and cultures around common human rights issues.

ASK WHY? Docs

ASK WHY? Docs brings human rights to schools in Denmark. In 2022 we nearly doubled the reach from 3.350 children to 5.500. This was possible due to increased multi-year funding. Such donations are vital for long term planning, building stronger collaboration with teachers and securing a sustainable impact.

The Why's YouTube Channels

YouTube allows us to reach communities with access to the internet. In 2022, 4 million people watched 1 million hours of content on The Why's main channel, twice the amount of 2021, with an exemplary 17.5 minutes on average per viewing. We gained 23,000 new subscribers, a 19% increase from 2021. Three of our films were each seen by more than 700,000 people: 'Maid in Hell (English)', 'Dollar Heroes' and 'Maid in Hell (French)'. We have also seen encouraging growth on our Arabic YouTube channel in 2022, growing from only 3,000 to 2 million views, and from 70 to 16,000 subscribers. The top three viewing countries were Morocco, Saudi Arabia and Algeria. This significant overall increase in viewership shows the importance of being present online.

High-level activities

We continue to have collaborative screenings coupled with debates in the UN, EU, festivals and human rights NGOs all over the world.

Environmental, social and corporate governance

In 2022 we followed our strategic plans. We continued to build and update our organizational strategy around local partner relationships and growth. The development and maintenance of such partnerships are important to ensure that The Why can deliver on its mission.

Management's Review

We continue to focus on a distinct representation of all - in our films, at our office and in everything we do. We value diversity in age, ethnicity and competences throughout our editorial, advisory and corporate boards.

We also continuously monitoring our climate footprints at the office, when we travel, and in relation to all other activities.

The boards statement on "God fondsledelse" cf. Årsregnskabsloven § 77a is published on THE WHY'S webpage:: www.thewhy.dk/about

Grants and individual donations

Donations from individuals, public funding and grants from foundations are the primary income sources of the year's primary income in addition to the final income from WHY PLASTIC? Broadcasting partners.

The funding was spent according to our mission. In relation to the public collection, we hereby confirm that the collection is in compliance with the Danish collection regulations and laws (executive order §9, stk. 1, nr. 4). Other Grants were spent in accordance to the requirements from the individual funders.

Below find list of partner organizations we have worked with in 2022

AFRICA

Burundi:

-Free Tech Institute - A non profit think tank in Burundi seeking to enhance educational opportunities through the use of Information Technology and Communications.

- Postlandfill action network - Sustainability and climate advocacy group (within BFFP).

The Allocation Frame for 2023

2023 is already proving to be extraordinary in scope and impact.

We have secured 53% of our budget and followed the Why's allocation frame for 2022.

We will continue fundraising and allocation of the following five projects:

1. Continue development and strengthening of The Why as an independent, not-for-profit organization.
2. Why Stories: Distribute films for free to communities that do not currently have access to free independent factual media. Why Stories will acquire 10 films this year.
3. Ask Why: Continue to expand the school program to more schools, conferences, highschools and universities. this to increase and to create debate, engagement and a desire to defend human rights.
4. Develop our online presence further including a special effort on the Russian channel.
5. Develop a new WHY documentary campaign WHY FREEDOM? to be launch in 2025.

Any fundraising or allocation outside of these five projects must be approved by the board.

Management's Review

Allocation Frame of current Equity Reserves

- The Why maintains a required capital of DKK 300.000 in cash in the bank at all times.
- Under the allocation frame, The Why aims to keep DKK 800.000 in cash in the bank over the Capital requirements, to cover current core fixed costs for a period of 3 months.
- The Why may allocate additional cash reserves to develop, strengthen and ensure liquidity needs.

Subsequent events

No events materially affecting the assessment of the Annual Report have occurred after the balance sheet date.

Income Statement 1 January - 31 December

	Note	2022 DKK	2021 DKK

Board members do not receive renumeration for their work as board members. However direct costs related to their work for the Why Foundation including travel costs are being refunded at cost. CEO Anne-Mette Hoffmann Meyer has not received renumeration in 2021 and 2022.

Average number of employees is calculated based on the paid ATP contribution, and therefore the number is seen as an average over the year. The WHY Foundation are project-based, therefore the number of project employees can vary throughout the year.

Notes to the Financial Statements

5 Accounting Policies

The Annual Report of The Why Foundation (Fond) for 2022 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B as well as selected rules applying to reporting class C.

The accounting policies applied remain unchanged from last year.

The Financial Statements for 2022 are presented in DKK.

Recognition and measurement

The Financial Statements have been prepared under the historical cost method.

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Foundation, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Foundation, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Certain financial assets and liabilities are measured at amortised cost, which involves the recognition of a constant effective interest rate over the maturity period. Amortised cost is calculated as original cost less any repayments and with addition/deduction of the cumulative amortisation of any difference between cost and the nominal amount. In this way, capital losses and gains are allocated over the maturity period.

Translation policies

Danish kroner is used as the presentation currency. All other currencies are regarded as foreign currencies.

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Gains and losses arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the

Notes to the Financial Statements

5 Accounting Policies (continued)

balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the transaction date rates are recognised in financial income and expenses in the income statement; however, see the section on hedge accounting.

Income Statement

Income

Grant income consists of the utilisation of donor grants during the year based upon a proportional percentage of the project completion (the percentage of completion method based on milestones completed).

Broadcasters comprises of invoiced licence fees to Broadcasters concerning own produced films.

Activity expenses

Activity expenses are held in compliance with the Foundation's main purpose and comprises "Production costs" and "Editorial and producers costs".

Expenses regarding activities comprise expenses for projects, production, consultants, outreach, related travel expenses, information dissemination, publications, web, evaluations and similar related expenditure.

Administration costs

Administration expenses comprise expenses for the central overhead costs that are not directly related to individual project activities.

Staff costs

Staff costs include salaries and wages including holiday allowances, pensions and other costs for social security etc. for staff members. Staff costs are less public reimbursements.

Staff costs are included in Editorial and producers costs.

Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

Notes to the Financial Statements

5 Accounting Policies (continued)

Tax on profit/loss for the year

Tax for the year consists of current tax for the year and deferred tax for the year. The tax attributable to the profit for year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

Balance Sheet

Investments in

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

Contract work in progress

Contract work in progress is measured at selling price of the work performed calculated on the basis of the stage of completion. The stage of completion is measured by the proportion that the contract expenses incurred to date bear to the estimated total contract expenses. Where it is probable that total contract expenses will exceed total revenues from a contract, the expected loss is recognised as an expense in the income statement.

Prepayments

Prepayments comprise prepaid expenses concerning rent, insurance premiums, subscriptions and interest.

Debts

Debts are measured at amortised cost, substantially corresponding to nominal value.

Deferred income

Income received but designated for future project activity is allocated to deferred project income.

Other debts are measured at amortised cost, substantially corresponding to nominal value.

Distributions

Donations/grant distributions for the year

Donations/grant distributions are recognised at fair value. To the extent that the individual distribution cannot be calculated at fair value, it is measured at DKK 0 and is thus not recognised in the Income

Notes to the Financial Statements

5 Accounting Policies (continued)

Statement or in the Distribution of profit.

Allocation for donations/grant distributions

On the date for approving of the Annual Report the board adopt an amount for allocation for donations/grant distributions which is expected to be distributed until next approval of Annual Report. This amount is transferred from the reserves to the Allocation for donations/grant distributions. When distributed these amounts will be transferred to Donations/grant distributions for the year

Management's Statement on the Tax Statements

The Company's Tax Statements are based on the Annual Report for the financial year 1 January - 31 December 2022. The Company has established procedures with a view to ensuring a reliable basis for the financial reporting and the adjustments necessary for the statement of taxable income.

In my opinion, the Tax Statements are complete and in accordance with current tax legislation.

København, 6 March 2023

The Why Foundation (Fond)

Anne-Mette Hoffmann Meyer
CEO

Practitioner's Statement on Compilation of Tax Statements

To the Management of The Why Foundation (Fond)

We have compiled the Tax Statements of The Why Foundation (Fond) the assessment year 2022 on the basis of the Company's Financial Statements for 2022 and other information you have provided.

The Tax Statements comprise the statement of taxable income and related notes and specifications.

We performed our work in accordance with ISRS 4410, Engagements to Compile Financial Information.

Based on our professional expertise, we have assisted you with the preparation and presentation of the Tax Statements in accordance with applicable Danish tax legislation. We have complied with relevant provisions of the Danish Act on Approved Auditors and Audit Firms and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code), including the principles of integrity, objectivity, professional competence and due care.

The Tax Statements and the accuracy and completeness of the information forming the basis of the compilation of the Tax Statements are your responsibility.

As an engagement to compile financial information is not an assurance engagement, we are under no duty to verify the accuracy or completeness of the information you provided to us to compile the Tax Statements. Accordingly, we express no audit opinion or review opinion as to whether the Tax Statements have been prepared in accordance with applicable Danish tax legislation.

As stated in the Accounting Policies section of the Tax Statements, these are prepared and presented on the basis prescribed by applicable Danish tax legislation for the purpose of the Company's compliance. The Tax Statements are thus prepared for this sole purpose and may be unsuitable for any other purposes.

Our Statement has been prepared solely for the use of The Why Foundation (Fond) and the Danish tax authorities.

Accounting Policies

The Tax Statements have been prepared and presented on the basis prescribed in current Danish tax legislation with a view to the Company's compliance with the legislation.

The accounting policies remain unchanged compared to last year except for any changes due to amendments to Danish tax legislation and the related interpretation.
