Far Infrared Heat

Utilises far-infrared heat which deeply penetrates the body for maximum benefits

Standard Chromotherapy

Comes with standard grade Chromotherapy (15 LEDs/6 colours)

Low EMF

Our True Wave™ heaters are the only infrared heaters with virtually no EMF

Built in Stereo Speakers

High quality stereo speakers make for an enhanced audio experience.

Eco-certified Wood Construction

Eco-certified Grade "A" Clear Western Red Canadian Cedar

Underfloor Heater

Exclusive underfloor infrared heating to enhance your sauna session

Features

Innovative Heating technology

Exclusively utilising our patent-pending True Wave™ heaters - an innovative fusion of carbon and ceramic, providing optimal, efficient, and safe therapeutic heat.

Heater upgrade available

The Clearlight® Premier Sauna has the ability to upgrade from Far Infrared to Full Spectrum with the addition of the True Wave™ Full Spectrum Heaters, which provide our highest output heat source, producing near, mid and far infrared wavelengths all at once.

360° Infrared Heat

Our saunas have heaters on the front wall, back wall, side walls and underneath the bench, heating your body from every direction, which targets your core, rather than just heating the sauna cabin air.

Traditional Sauna Design

The Clearlight® Premier range takes a traditional approach to design, all whilst incorporating cutting-edge technologies to bring this ancient wellness practice into the 21st century, with far-infrared heating and EMF shielding technology.

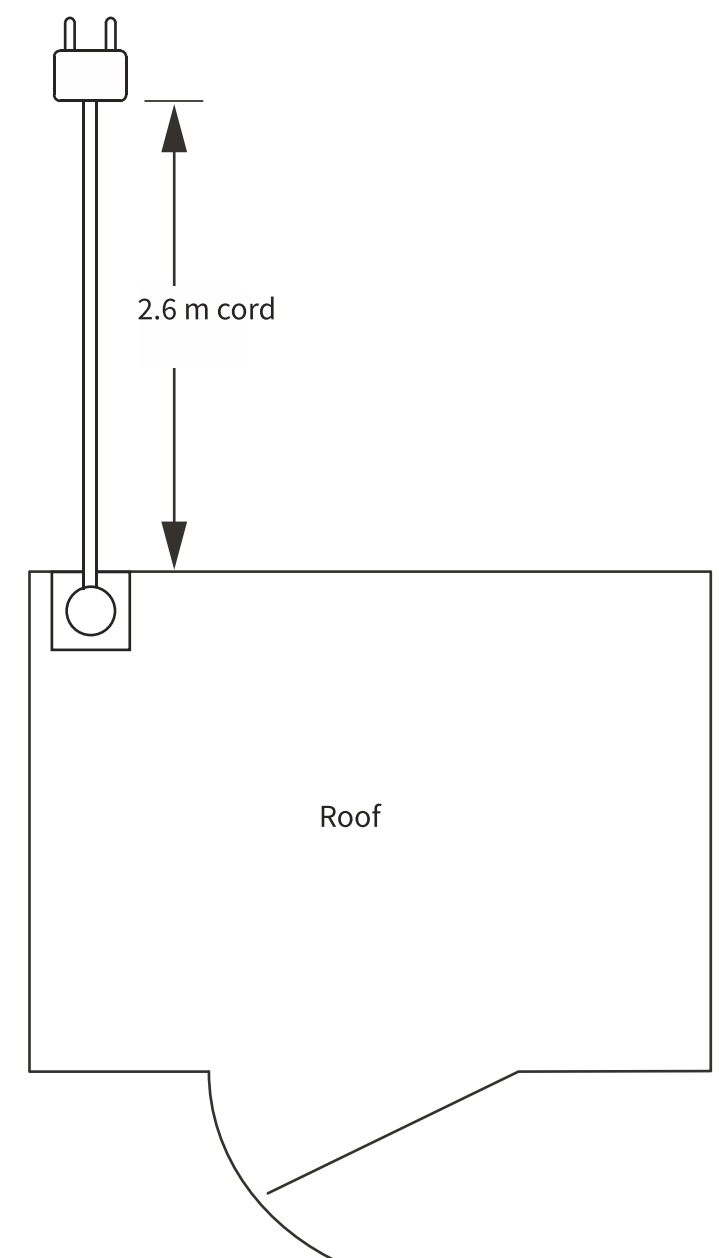

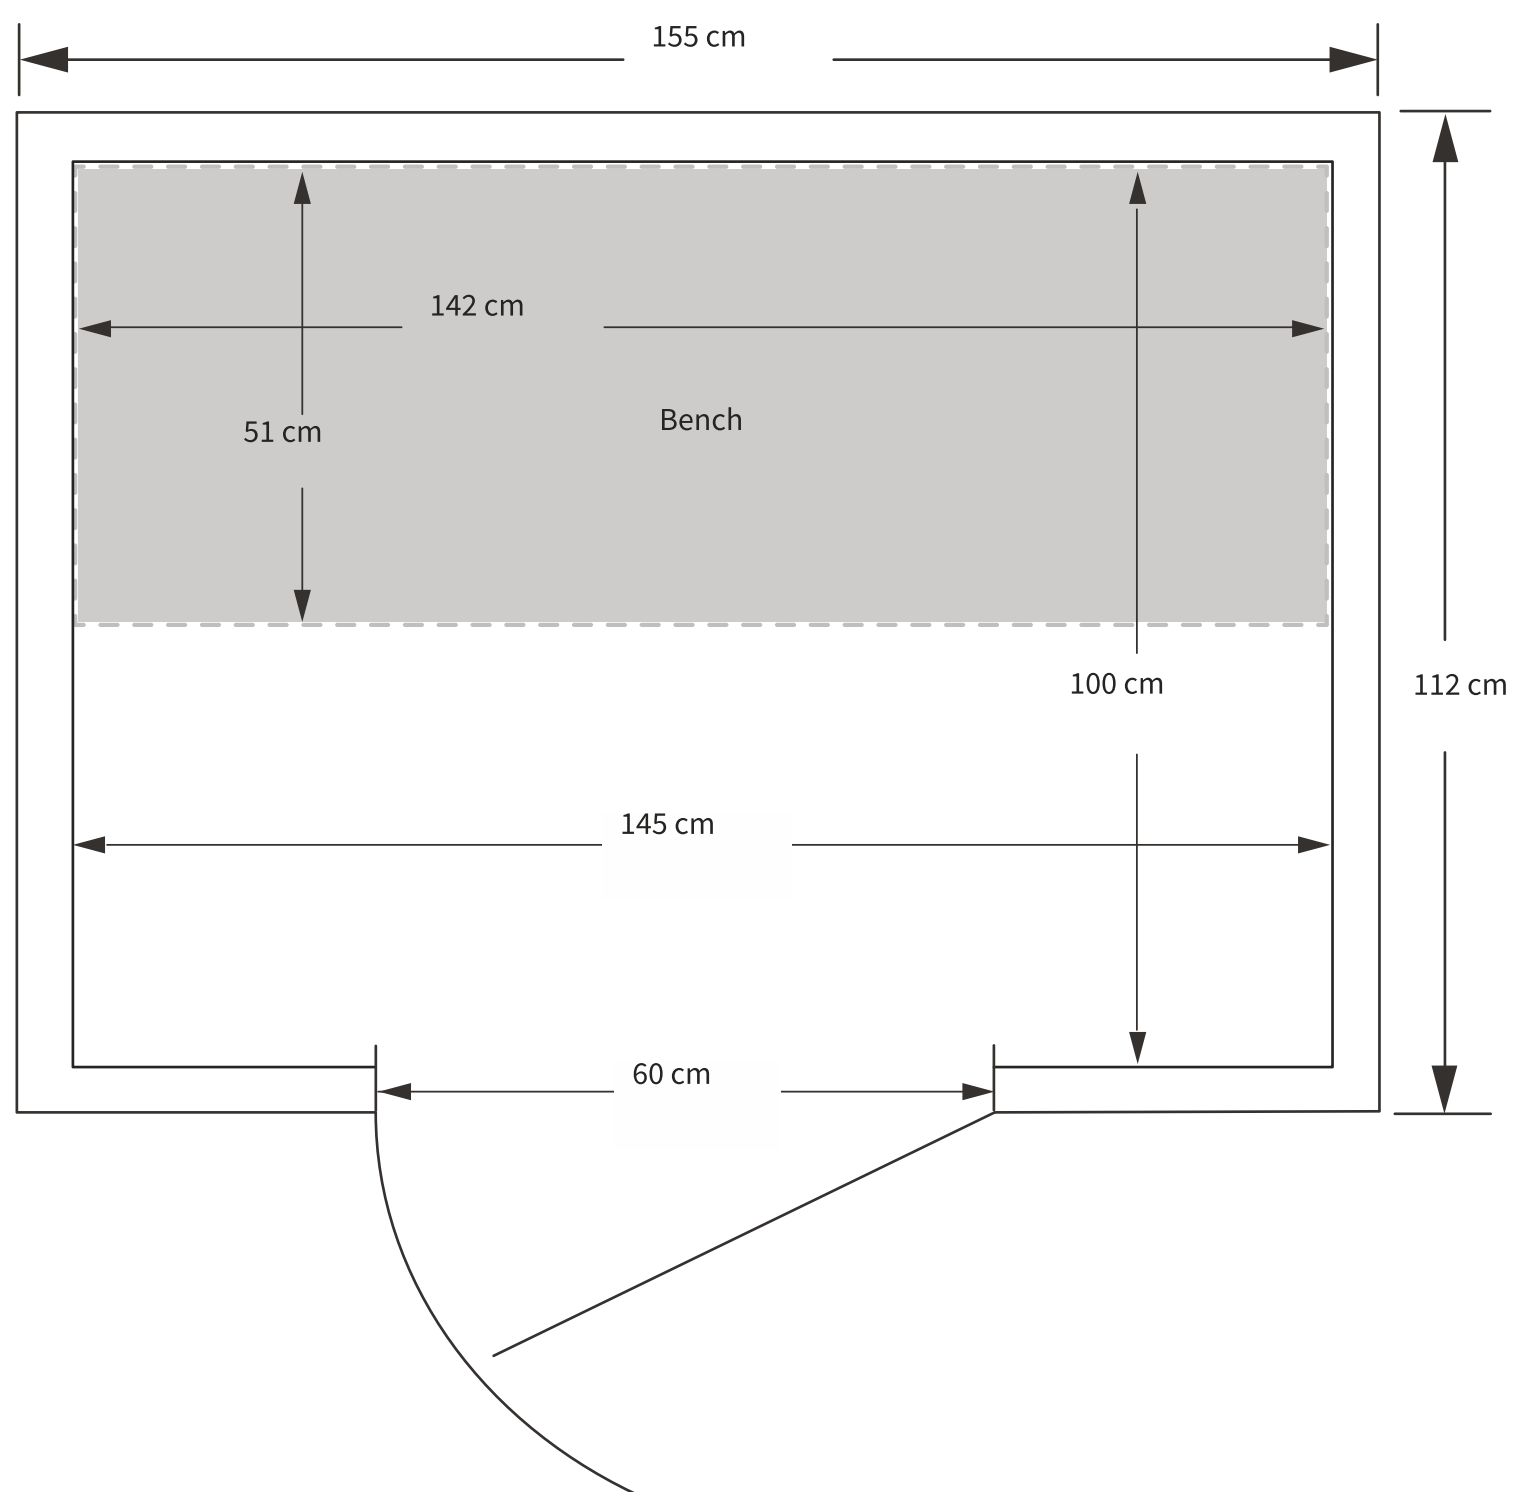

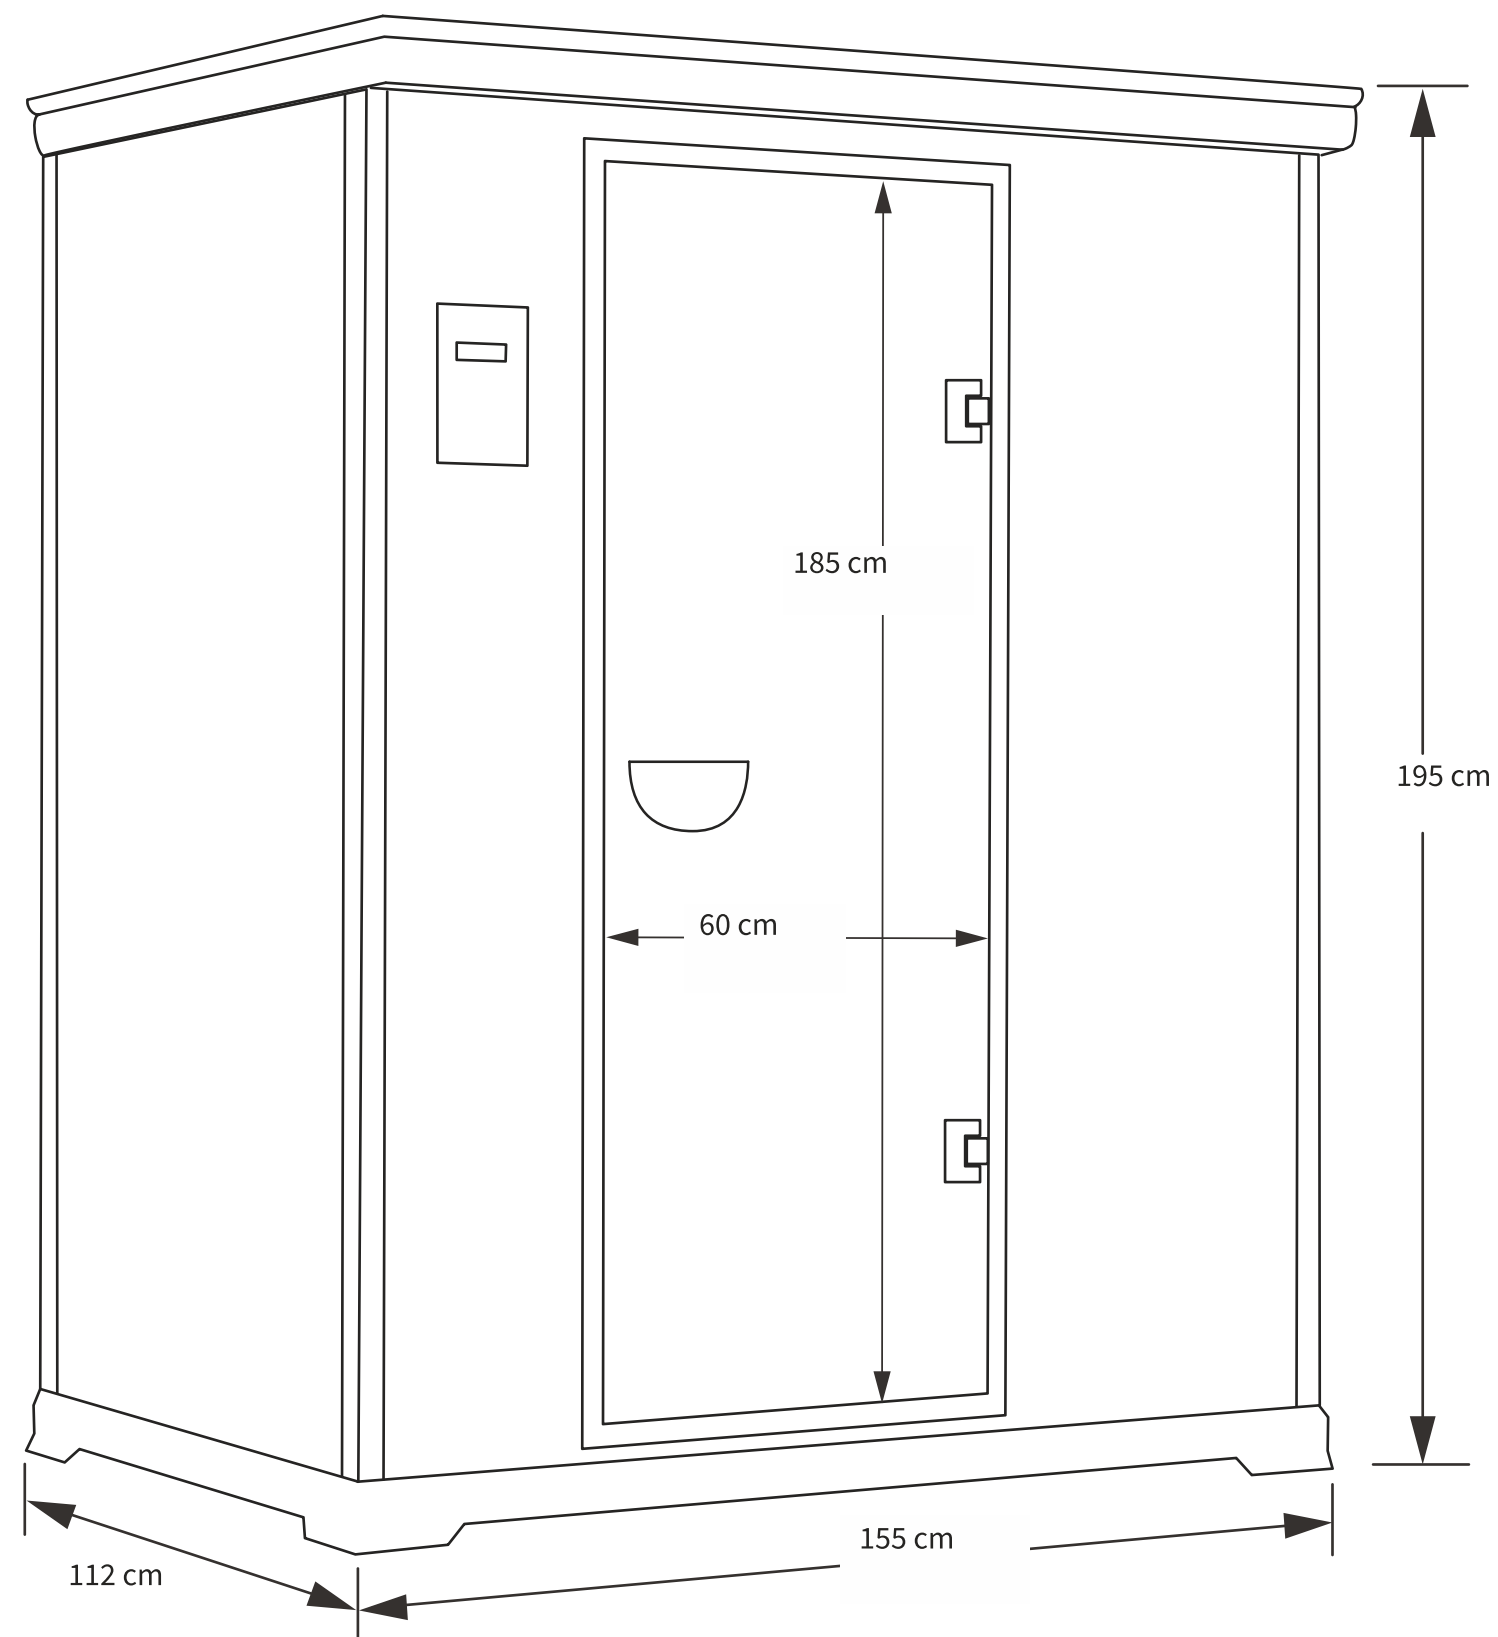

* For Residential customers only. Warranty on Commercial saunas are 5 years.

** Extra charges for very remote or difficult to access locations

Clearlight®

3 Person Clearlight® Essential Far Infrared Sauna | CE-3

Specifications | CE-3

Dimensions & Weight

	INTERIOR	EXTERIOR	WEIGHT
Width	145 cm	Width 155 cm	193 kg
Depth	100 cm	Depth 112 cm	
Height	183 cm	Height 195 cm	
Bench	142 x 51 cm		

Installation Requirements

Choose a location with a flat, level surface

- Allow **5 cm** clearance on the sides and at the rear of your sauna
- Allow **30 cm** of space above the sauna roof
- Ensure access to the powerpoint at all times, to allow for hard reset
- Check your sauna specs for required power amperage

Since every location is different, it's a great idea to connect with your sales consultant. They can provide valuable guidance in choosing the perfect sauna model for your specific space. A pre-install site inspection may also be possible, depending on your location.

Heaters

True Wave™ Carbon & Ceramic Low EMF/ELF Heaters:
Far Infrared heaters on the back wall, side walls, under the bench and in the floor.

Power & Electrical Specs

230 V
1,850 W
8 A
The sauna comes with a Type F plug used commonly throughout Europe.
Output of standard household sockets can vary between 13A and 16A. Please consult an electrician if you are unsure about the electrical output of the sockets in your home.

Design

Eco Certified Grade "A" Nordic Spruce
Zero volatile organic compounds
6mm tempered safety glass door and window
Double wall tongue and groove construction

Warranty

Your Clearlight® sauna comes with another exclusive – the Clearlight Infrared® Saunas Lifetime Warranty for residential use.

For legal reasons we have to call it a limited lifetime warranty. Why limited? We cover parts and shipping for the entire lifetime, however labour is not included for a lifetime. We do however provide the parts and pay for shipping, and we will also provide instructions on how to resolve possibly issues with your sauna.
