Mljet

# Dubrovnik Discovery Itinerary

## Day 1 Dubrovnik

Check-in is from 1 p.m. at Gruž harbor. The first overnight is in Dubrovnik, a world-famous destination and one of the world's most perfectly preserved medieval cities. Many buildings have remained, some barely changed, since the time of the ancient Dubrovnik Republic. In the evening, we suggest a walk around the town's iconic walls and a drink or two in one of the many bars on the popular Stradun. Dinner on board and overnight in Dubrovnik. **(D)**

## Day 2 Dubrovnik - Mljet

After breakfast, cruise towards Mljet National Park (entrance fee paid locally) with lunch on board. Mljet is a beautiful, tranquil island, and the entire afternoon is free to enjoy the island's beaches, caves, wildlife, hiking paths, and ancient ruins. Visit an old abbey in the middle of the large lake, rent a small boat, or hop on bikes to explore the natural wonders. Overnight in the port of Polače or Pomena. **(B, L)**

## Day 3 Mljet - Hvar

Morning departure towards the island of Šćedro, located off the south coast of the island of Hvar. We will have time to relax and take a refreshing swim. After lunch, we depart for Hvar, the longest and sunniest island in the Adriatic. Some attractions include the Renaissance cathedral with its original tower, the oldest community theater in Europe, founded in 1612, and the famous horseshoe-shaped harbor. Join a guided tour of the old town (included on Premium Superior vessels). Hvar town is a jet-setter destination with plenty of restaurants, bars, cafés, and clubs. **(B, L)**

## Day 4 Hvar - Bol - Split

In the morning, cruise towards Bol on Brač Island, best known for its famous Zlatni Rat (Golden Horn) beach. This long, golden pebble beach has an unusual and ever-changing shape due to the wind and waves. In the late afternoon, we will arrive in Split, Croatia's second-largest city, a busy university and maritime center, and the capital of the Dalmatian region. The old town of Split is under UNESCO protection, and its monuments are adored by local inhabitants and the many visitors who fall in love with this ancient city. Enjoy strolling around town and taking time at each spot like a local. Overnight in Split. **(B, L)**

## Day 5 Split - Korčula

Early morning departure towards Korčula Island, best known as Marco Polo's birthplace, with a lunch stop en route. Korčula has many legends, tales, and monuments that can be found while wandering along the herringbone pattern streets. Learn more by joining a guided tour (included on Premium Superior vessels). Korčula has an abundant choice of restaurants and many bars and clubs for those looking for evening entertainment. Overnight in Korčula. **(B, L)**

## Day 6 Korčula - Šipan

Morning cruise towards the Elafiti Islands, a group of islands west of Dubrovnik, which include Šipan, Lopud, and Koločep. Many tourists are attracted by the beautiful scenery and sandy beaches. We have a swim and lunch planned on one of the smaller islands. Afterward, cruise towards Šipan, the largest island of the Elafiti Islands and the most distant from Dubrovnik. Enjoy a Captain's dinner (included on Premium and Premium Superior vessels) on board and overnight on Šipan Island. **(B, L, CD)**

## Day 7 Šipan - Dubrovnik

Early departure for Dubrovnik with breakfast en route. Lunch will be on board, and we will arrive in Dubrovnik in the early afternoon. Dubrovnik is the most famous town in Croatia and is often called the Pearl of the Adriatic. The entire afternoon is free to explore Dubrovnik, head to the beach for a swim, or do both. Join a guided tour of the old town (included on Premium and Premium Superior vessels) or walk through the Stradun, both a street and a square. Explore the tiny squares and alleyways inside the city walls. We recommend a walk along the top 1,940m long city walls or take the cable car to the top of Srđ Mountain for the best panoramic views of the old city. Overnight in Gruž port. **(B, L)**

## Day 8 Dubrovnik

After an early breakfast, it's time to say goodbye to the crew and your new friends. Check out by 9 a.m. **(B)**
