Dear Community,

Across the nation, May is recognized and celebrated as Asian and Pacific Islander Heritage Month. At APANO and APANO Action Fund, we work to honor the rich history and resilience of our communities in Oregon. Through our annual fundraiser, Voices of Change, we are able to support this critical work year-round. This year, our theme is “Roots of Resilience” and we invite you to join us in planting roots to support our communities’ leadership and future initiatives.

Voices of Change: Roots of Resilience
Thursday, May 16, 2024 | 5:30 pm - 8:30 pm PT
AVENUE | 631 NE Grand Ave, Portland OR 97232

With our mission to unite Asians and Pacific Islanders across Oregon in mind, we foster community dedicated to building power, developing leaders and advancing equity. We do this through organizing, advocacy, community development and cultural work. Our vision is rooted in solidarity with the goal of driving political, social, economic and cultural change to create the just world we envision.

Each year, Voices of Change offers an opportunity to gather in celebration of our collective strength that comes from cultivating strong, healthy roots — and your support as a sponsor plays a crucial role in helping realize our mission. This year’s Voices of Change will feature performances, speakers and special guests. We look forward to welcoming an audience of community members, community and nonprofit leaders, and supporters from a wide variety of sectors.

This year, we hope you will join us as one of our outstanding sponsors. Achieving our mission and serving our communities is not possible without friends like you. Please find our sponsorship tiers and in-take form on the following pages. Should you have any questions about the program or sponsorship offerings, please reach out!

Best,

Karen Katigbak
