We intend to get your camp set up prior to your arrival but sometimes it is necessary to pack it in with your gear and set it up on arrival.

By signing up to go on a trip with us, you are agreeing that we will do the best we can to get your items safely to and from camp but will not be held responsible in case of damage.

MEAL SUGGESTIONS: We recommend planning a menu and making an item-by-item checklist for the menu to avoid packing in excess food or supplies. Some hunters prepare meals at home and vacuum seal/freeze for easy preparation at camp.

RIDING: Each rider is required to sign a form limiting Sour Apple Outfitter's liability.

RIFLES & BOWS: Bows and Rifles are best packed in soft cases and will be top packed for safety and accessibility.

LICENSE & TAGS: All of our hunts are controlled hunts. You are responsible for purchasing your license and tag prior to the season.

CANCELLATION POLICY: Deposits and final payments are non-refundable but may be applied to a future hunt. We strongly suggest that you consider purchasing vacation insurance which would cover you in situations such as medical, death in the family, job layoffs or natural disasters such as a forest fire.

Thank you for booking with **Sour Apple Outfitters!** We look forward to sharing this opportunity with you. Please contact us by email or phone with any questions you may have. See you soon!
