

TAKE-AWAY MENU

OUR STORY

Early 2020 we decided to plunge into the world of vegan food. After visiting various pizzerias world-wide we came to realise there was no vegan cheese for pizza to get excited about.

Having that in mind, with the help of Maarten we've developed our own vegan pizza cheese. A cheese that replicates an experience only cheese can provide.

Our pizza is for everyone. Vegans, vegetarians and conscious consumers.

**THE BEST
PIZZA, THAT
HAPPENS TO
BE VEGAN!**

THIS IS OUR TAKE AWAY MENU

Fancy a pizza, pasta, lasagna or one of our sweet desserts at home? No problem. In this menu you can find all of the menu items we have available for take away!
